

COUNTY AND SUBURBAN

Toronto Junction, Aug. 11.—(Special).—George Rolston, 78 Dundas-street, whilst running a planer in the Canadian Pacific Railway shops this afternoon, put his arm underneath the carriage to take out a bolt. When the bolt was out, the machinery reversed, with the result that his arm was caught between the carriage and the frame. The fore part of his arm was very much mangled, and the muscles higher up were laid open. Dr. Clendenen attended his injuries and sewed up the wounds. Mr. Thomas Abernethy of 233 Franklin-avenue met with a nasty accident in the Heintzman piano factory this morning. A piece of wood struck a circular saw he was working and rebounded upon his forehead, laying bare the skull and making a deep gash. Dr. Perfect was summoned to attend to the wound.

A very pretty wedding took place this evening at the residence of Mr. John Barnes, No. 234 Pacific-avenue, when his daughter May was united in marriage to George H. Large. The bride was dressed in white organdy and wore a crown of white roses. Miss Lela Barnes, sister of the bride, in pale blue organdy over pink, and carrying red roses, attended her. A large basket of sweet peas, acted as a maid of honor. The groom was assisted by Mr. Herbert Barker of the Traders Bank, Toronto, and the officiating clergyman was a brother of the groom, Rev. R. S. E. Large. After the wedding supper and the partaking of and the health of the bride and groom, the newly married couple left for Niagara Falls, amidst the congratulations of a host of friends.

The choir of Emmanuel Presbyterian Church held their annual picnic yesterday afternoon at Scarborough Bluffs and had a very enjoyable afternoon and evening.

Mr. Joseph Carroll of this place, a brakeman on the Grand Trunk Railway, had the misfortune to fall under the cars this morning and had his foot badly crushed. He was removed to St. Michael's Hospital, where the injured member was amputated. He is progressing favorably.

York County News. St. Philip's Church, Episcopal, Sunday School and congregation, Unionville, of which Rev. H. B. Owen is the rector, held their annual excursion and picnic to Centre Island yesterday. A large number of the congregation and friends of the school availed themselves of the opportunity of enjoying a pleasant day's outing and recreation in which they were not disappointed. St. Philip's is one of the oldest Episcopal churches in the Township of Markham and, like all other congregations, has had its trials and dark days. At present, under the able administration of Mr. Owen, it is enjoying an era of unprecedented prosperity.

S. Ackerman, commercial traveler, Belleville, writes: "Some cars ago I used Dr. Thomas' Electric Oil for Rheumatism, and three bottles effected a complete cure. I was the whole of one summer unable to move without crutches, and every movement caused excruciating pains. I am now out on the road and exposed to all kinds of weather, but have never been troubled with rheumatism since. I, however, keep a bottle of Dr. Thomas' Oil on hand, and I always recommend it to others as it did so much for me."

Advices continue to come to hand of big excursions being arranged from the United States. The latest to be heard from is Mr. P. P. Fox, traveling passenger agent of the Delaware, Lackawanna and Western Railroad, who says, in a letter to Mr. Hill:

"There will be two monster excursions from Elmira and the neighboring towns. They will arrive Sept. 5 and 6. A gentleman who dates his letter from Hornellsville, N. Y., says: 'We are simply going to take possession of your town. We shall march in with banners flying and a full brass band playing. It will be an invasion, but a friendly one. As a bill from your town I have seen says, "God bless us all." It is great to think we Anglo-Saxons are once more coming together. The people here are proud of the resources of Toronto are sure to be taxed to the utmost. Applications for advice as to hotel accommodations are already being received at the Exhibition offices. Thanks to the big Foresters' demonstration on Wednesday, Aug. 21, and the grand uniformed drill competition that is open to all societies on that day, visitors will begin to arrive in their thousands at a great deal earlier than usual, for advance information is to the effect that large parties are coming from Buffalo, Saginaw, Bay City, Montreal, Toledo, Milwaukee, Cleveland, Worcester, N.H., and Hartford, Conn. On Tuesday, Sept. 6, a big crowd is coming over from Lockport, N.Y., accompanied by the famous Spaulding Horse Company, of that place, who will parade and go through a number of attractive evolutions. Every inch of space both in the Main Building and in the tower building or annex has been taken up and Secretary Unit is at his wit's end to find accommodations for the big French exhibit that is coming. The Manitoba Government and the Canadian Pacific Railway are going to make an extra large exhibit of the resources of the Prairie Provinces."

Entries of grain, field roots and horticultural products are due to-morrow, the 13th inst.; of poultry, eight days hence, and of dogs on Thursday, the 25th inst. Speaking of the latter, the secretary of the Bench Show, Mr. W. P. Fraser, says he has been surprised by receiving a number of entries two weeks ahead of the date of closing.

THESE ANARCHISTS SHOOT.

Promptly Opened Fire on Officers Trying to Arrest Them.

Brussels, Aug. 11.—While a policeman was arresting a militant anarchist named Willem, the latter shot and wounded the officer, and then escaped. The anarchist also shot several persons who attempted to capture him, but he was finally arrested and lodged in jail.

Later the police visited Willem's lodgings, where they found two anarchists, who promptly opened fire on the officers. A policeman replied to this fire, fatally wounding one of the anarchists. His companion was captured.

A Pointer on Hanlan's Point.

The entertainment given by the Perry Company, free to their patrons, is causing a great sensation among the citizens of Toronto. The Point is a beautiful spot and a cool place to go to these hot days.

Free show has a list of attractions this week that is giving everyone satisfaction. The quartet of negro voices are a drawing feature and the numerous entertainers received after each song is evidence of the fact that they are very popular. The laughing chorus, which everyone is compelled to join, is very funny. Mr. John B. S. Kurkman, with his sweet tenor voice, is still captivating the great crowds that nightly visit the Point. The Grosvenors as equilibrists in barrel and table climbing present a very finished act. The sensational feature and the one which is the crowd's perch upon which Miss Besse performs. This little lady displays an amount of nerve that one seldom witnesses in one so young.

At the Police Court.

Allan Lockhart did not appear at Wednesday's Court when called upon to answer a charge of stealing \$100 from Clancy Bros. He was taken into custody yesterday morning and remanded until to-day.

A conviction was made in the charges of assault preferred against Matthew Duggan. Ernest Gale and James Lawless. Duggan got six months in the Central Prison and Gale and Lawless were sent to the same institution for four months each.

The charge against James Murray for negligently hitting the house of James Vance, 107 McCaul-street, was dismissed. Charles Gallagher, who was found with some of the stolen goods in his possession, was sent down for 60 days.

Three Thousand Parcels a Day.

To keep pace with the ever-increasing business of the summer, the number of horses drawing its delivery wagons has just been nearly doubled. The string of Simpson wagons that passed the palatial store at noon yesterday would have sufficed for a street parade. No tired jades were in the shafts, but prancing, dappled greys, in smart harness set with silver and shining brass. Some idea of the necessity of increasing the stables is seen in the fact that apart from the outside of the store, which extends from Halifax to Vancouver, the yellow and red Simpson carts deliver in Toronto 3000 parcels a day.

The Wabash Railroad Company.

Full particulars of this wonderful railroad from any R. R. Agent, or J. A. Richardson, District Passenger Agent, Northeast corner King and Yonge-streets, Toronto and St. Thomas, Ont.

Thousand Island Trip.

The steamer Cambria will run to the 1000 Islands and Alexandria Bay on Saturday next, leaving Yonge-street wharf at 3 p.m. This is one of the most delightful excursions running out of Toronto, and this popular steamer is always sure of a large crowd when she makes the trip. THE POPE'S ILLNESS SLIGHT

And There is No Cause for Anxiety—Authorities Confirm Statement.

Rome, Aug. 11.—Owing to the sudden fall in the temperature the Pope has contracted an internal chill. On the advice of his physician, Dr. Lapponi, who recommends rest, His Holiness has suspended all audiences.

The Observator Romano declares that there is no cause for anxiety, but rumors are current that the Pope is suffering from extreme physical weakness, and that all business is practically left to Cardinal Rampolla, the Papal Secretary of State.

Dr. Lapponi and all the Vatican authorities confirm the statement that the Pope's illness is slight. The doctor did not stay through the night at the Vatican. The Pontiff shows symptoms of gastric inflammation, but he partook of nourishment yesterday morning, and was in excellent spirits. He rose this morning at 5.30 and celebrated mass. Dr. Lapponi visited the Pope at 8 o'clock this morning.

WAR CLOUD IN SOUTH AMERICA.

Boundary Line Question May Cause Trouble Between Chili and Argentina.

London, Aug. 11.—Trouble appears to be brewing between Chili and Argentina. In May last the two Governments agreed that steps should be taken for a delimitation by experts of the general frontier in August of this year; should the experts fail to agree, the Foreign Affairs departments of the two Governments were to discuss outstanding differences in September; should adjustment still not be attained, British arbitration it was agreed, should be sought in the month of October.

Argentine president vacates office. The Argentine Government have continued to arm regardless of the agreement; and though they have invited by the Chilean authorities to confer publicly and in the event of non-agreement to refer the matter to British arbitration, they have altogether failed to give a satisfactory answer to Chile's invitation.

Have It Checked and the Inflammation Allayed by Dr. Fowler's Extract of Wild Strawberry.

It is appalling how many people in the course of a day are hurried into untimely graves by an attack of dysentery. It comes on so suddenly, its course is so rapid, its action on the system so weakening, its termination so quickly fatal, that any treatment must be administered promptly and the disease checked effectively at the outset. The only remedy that anyone would think of relying on in such an emergency as that, is Dr. Fowler's Extract of Wild Strawberry.

For a generation and a half it has been curing all forms of bowel complaints of children and adults, and during that time has saved thousands of lives and many doctor's bills. Never be without it in your house. It's cost is trifling, only 35 cents, but the pain and weakness, yes, even death, it may save you from some day, or some of your family, is worth more to you than ten thousand times its price.

Mrs. Richard Gillbank, Coldwater, Ont., says: "I have used Dr. Fowler's Extract of Wild Strawberry and found it a reliable remedy for Summer Complaint, Diarrhoea, Dysentery and Cholera Morbus. I know it to be a grand remedy in the case of children and heartily recommend it."
