The word commonwealth is happily chosen. It reminds us of the days when the greatest Prince who ever ruled England vindicated the rights of the people against the usurpation of the Stuarts, and expresses also with felicitous emphasis the entire freedom and practical independence of Australia and her component states.

The loyalty of the King's Australian subjects is not only sincere, it is warm and enthusiastic. It has been shown by the hearty reception of Their Royal Highnesses. It has been shown by the hearty reception of Their Royal Highnesses. It has been shown to the South African war, but woe betide the British Minister who attempts to interfere with Australian autonomy.

The amendment suggested by Mr. Chamberlain to the Commonwealth bill was comparatively small, but it very nearly wrecked the whole scheme and would have wrecked it if it had not been withdrawn.

The Governor-General will, of course, be
