WARNS MUNICIPALITIES

Bank Manager Advises More Caution

Toronto, May 28 .- Mr. D. R. Wilkie president and general manager of the Imperial Bank, sounded a note of warning to municipalities in his address to the shareholders yesterday. He animadverted on the tendency of municipal corporations to incur indebtedness and make expenditures before they had arranged the funds. Municipalities, he said, must realize that the money market was subject to much variation. Many cities were now paybeen realized, and prices at the martions, which still proceeded with the expenditures, only to find later that Engineer Bell were of much interest their bonds were saleable at much greater discounts. Mr. Wilkie pointed out that the market for municipal securities in Great Britain had undergone a drastic change in the past twenty years, and that the old country investor had excellent opportuni-
