TRIED AND RELIABLE REMEDYDR THOMAS'
ECLECTRIC
OILEnds Stubborn Coughs
in a HurryFor real effectiveness, this old
home-made remedy has no equal.
Easily and cheaply prepared.You'll never know how quickly a
bad cough can be conquered, until you
try this famous old home-made reme-
dy. Anyone who has coughed all day
and all night, will say that the imme-
diate relief given is almost like magic.
It is very easily prepared, and really
there is nothing better for coughs.Into a 16-oz. bottle, put 2½ ounces
of Pinex (50 cents worth); then add
plain granulated sugar syrup to make
16 ounces. Or you can use clarified
molasses, honey, or corn syrup, instead
of sugar syrup. Either way, this mix-
ture saves about two-thirds of the
money usually spent for cough prepara-
tions, and gives you a more positive,
effective remedy. It keeps perfectly,
and tastes pleasant—children like it.
You can feel this take hold imme-
diately, soothing and healing the mem-
branes in all the air passages. It
promptly loosens a dry, tight cough,
and soon you will notice the phlegm
thin out and then disappear. A day's
use will usually break up an ordinary
throat or chest cold, and it is also
splendid for bronchitis, croup, hoarse-
ness, and bronchial asthma.Pinex is a most valuable concen-
trated compound of genuine Norway
pine extract, the most reliable remedy
for throat and chest ailments.To avoid disappointment, ask your
druggist for "2½ ounces of Pinex"
with directions and don't accept any-
thing else. Guaranteed to give abso-
lute satisfaction or money refunded.
