but went on to say that the British situation was part of the grave quescement if subscribers who receive tion of Asiatic labor. Asiatic labor, he A favor will be conferred on the manby carrier or thru the mail will continued, had become fluid, and a new nt of their copy.

Of considerable interest to shippers was a case just decided by the Court of King's Bench of Quebec, sitting as a express company for recovery of the should be allowed to take the bread court of appeal. The plaintiffs sued an value-stated at \$920,754-of, a trunk and contents shipped from Brantford to Winnipeg and lost in transit. In the dent declared, "and I am not afraid of the unanimous judgment of the court, terms." He followed this by the firm words of Judge Cross, who delivered reversing the judgment appealed from, announcement that while they could "the material questions which arise are not exclude a certain proportion of whether or not the appellant (express Chinamen who found themselves on the company) was a common carrier of the goods sent, and, if it was such carrier, whether or not it has by special agreement contracted itself out of the carrier's responsibility, which, by the nese, judgment, it has been held to have as- After explaining the nature and efsumed."

The facts showed that the way-bill the claim of Chinese to be treated as for the trunk was in the form in use "lascars," the president gave a most before July, 1906, which the board of positive assurance that "it will be in railway commissioners, by order, had my opinion, the duty of the board of permitted to be used for a period cov- trade and of the government effectively ering the contract pled in the suit. The to stop the increase of Chinamen who court of appeal had no difficulty in are shipped in the United Kingdom holding on the authorities that the ex- ports." If, he said, the circular did press company was a common carrier, not exercise that control he should look and that the conditions in the way- for other methods, and if the law did bill, attempting to declare it merely an not give him the means he would have agent of the forwarder, should be dis- no hesitation in asking for further powregarded. But the way-bill in question ers. And his closing words confirmed contained also a stipulation to the in every respect the grounds of the effect that in no event "shall this com- objections raised by British Columbia. pany be held liable or responsible, nor Australia, New Zealand and South shall any demand be made upon them Africa to the appearance of Asiatics in beyond the sum of \$50, at which sum their respective communities. "I have," said property is hereby valued, unless Mr. Churchill declared, "not the slightjust and true value thereof is stated est intention to allow the British merherein." The way-bill founded on in cantile marine in home waters to be the suit contained no statement either invaded by these strangers from the of contents or value, and the court held it was a reasonable thing for the their virtues and vices, cannot be company to stipulate that its liability brought into close contact with Eurocompany to stipulate that its liability would not exceed \$50 unless a declara-tion of higher value was made at the time of shipment. The case again justice and social danger." shows the absolute necessity of provid-

THE FIREMAN'S SALARY.

This incident is a curious chapter in ing way-bills, all of whose conditions the history of the British Liberal party, ing way-bills, all of whose conditions are valid in law. It is the common belief that conditions on way-bills "will not hold," but where a condition is not fering with the employment of cheap Simpson Co., Limited, you will be wel-

Of all the 20 improvements of the clever-looking Napoleon Shoe the feature which best pleases the eye of the buyer is the Artistic Arch. Special lasts are made for every pair of Napoleons-foot-sculptured lasts-and inside there is a stout steel arch which snugly holds the instep.

That free, athletic stride which marks the man of action is not possible when the arch support of the shoe fails in its function.

Showing the Napoleon Shoe is a pleasure-whether you come to see or to buy.

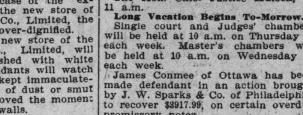

Sold everywhere in Canada, the United States and Great Britain at the same price-\$5, \$5.50 and \$6.
