With perfect weather conditions the annual games day of the Toronto Normal Model School was held yesterday afternoon on the northeast sec-tion of the school grounds. The Royal Grenadiers' Bend was present and thruout the afternoon

rendered a splendid program of pa-triotic airs. The first part of the program consisted of a number of physical training exercises, patriotic drills and folk dances by the different boys' and firs' classes. Two folk dances were pretty, as was also the patriotic march by the fourth form girls.
