

3rd month]

MARCH.

[hath 31 days]

Huge uproar lords it wide. The clouds commix'd
 With stars swift gliding, sweep along the sky.
 All nature reels. Till Nature's KING, who oft
 Amid tempestuous darkness dwells alone,
 And on the wings of the careering wind
 Walks dreadfully serene, commands a calm;
 Then strait air, sea, and earth are hush'd at once.
