## GLORIA AND PHOEBON W.

In an Exciting Race at Woonsocket—Gloria Beaten by Ben Coma After Taking Two Heats.

Woonsocket, R. I., Aug. 9.—Great excitement marked the closing day of the week's racing on the Woonsocket mile track today. In the free-for-all race, six heats of which were run Thursday, Ben Coma, the favorite, and Gloria came under the wire so near each other in the seventh heat that the crowd was in doubt as to the winner until the judges gave the heat and the race to Ben Coma.

A crowd of 300 or more surged on the track in front of the judges' stand and with cheers and cries of "robber" refused to leave until the pools had been declared off. The management went to the judge's stand and asked that the pools be declared off, which was done.

Reese, of Brooklyn, owner and driver of Ben Coma, asked the judges if what right the pools were declared off and claimed that the judges should not be aware of pools being sold. He decided to let the matter drop. The 2.25 pace was won by Morrow, the favorite, in straight heats. C. O. D. captured the 2.20 trot, being the favorite, in five heats. The 2.17 trot went to Dromedary Grace Sharon, the favorite, getting four money.

The Grand Circuit.

Buffalo, N. Y., Aug. 9.—The grand circuit meeting closed this afternoon with two hotly contested races. Big fields faced the starter in both events and it took four heats to decide the winners. Lotta (formerly Lady Thistle) won the first heat of the 2.17 trot, but was beaten by the second heat, but took the next two heats.

In scoring for the second heat in this race George Adams, driven by Ed. Giers, broke a small bone in one of her fore legs and was withdrawn.

Tommy K., which sold favorite in the pools, lost the first heat in the 2.12 race, but won the second and fourth heats and race. Tommy paced the second mile in 2.07.

Scratches reduced the field in the 2.00 trot to three horses. Jillian R. was made the favorite and won in straight heats.

Charles Keith, who has qualified as a Rhodes scholar at Oxford from Arkansas, has been sold by Little Rock's Southern league club to the St. Louis Americans for 1908.

The splendid work of the Boston American player for Providence makes John F. Taylor feel as though he had farmed his boys out to the right club.

The New York Americans are negotiating for Bell, center field of the Butte, Mont., team. In two games at Seattle on one day he got eight clean hits out of nine times at bat. Among the lost were two home runs. In seven games last week he made 17 hits.

## THE OAR

## O'Neill Gets a Place.

Philadelphia, Pa., Aug. 9.—Spirited races marked every one of the six events decided in the preliminary to the thirty-fifth annual regatta of the National Association of Amateur Garmen held over the Schuylkill River.

NEW YORK, Aug. 9.—Interest among yachsmen in America and Germany is increasing over the outcome of the international underclass races between boats from these two countries, which began at Kiel on August 15. The American yachts, the Marblehead, owned by W. H. Joyce and S. H. Foster, the Spokan, owned by F. Lewis Clark, and the Chick VIII, owned by F. G. Macomber, Jr., arrived at Kiel this week, after being shipped aboard the Sylvia the first of ship.

The American amateurs will have two weeks in which to become acquainted with the course over which the races against the German boats, the Wannee, the Tilly X and the Wittelsbach II, will be decided. The German sailors are determined to do better than they did at Marblehead last year, where, although they made a gallant bid for victory, they were not equal to the task.

The Wannee, which will probably be steered by Otto Protzen, who participated in the Marblehead races last year, is a new club yacht of the Berlin Verein Segel-

## UNCLE SOLD FOR \$30,000

Madden Sells to Hildreth—Orby Said to Be All Right, and Suffered Only Slightly from Chills.

The sale of the two-year-old chestnut colt, Uncle, by Star Shot—The Nice, for \$30,000 and half the amount of the Saratoga Special, or about \$9,000 additional, providing he wins, by J. J. Madden, to S. C. Hildreth, was announced at Saratoga Thursday. Uncle has run some fast races and his former owner has insisted that he may be beat.

Star Shot, sire of Uncle, was trained a two-year-old in the English turf, by John Huggins, who at the same time trained Volodyovski, and it is said that until he went amiss Star Shot was as good a colt as was the subsequent Derby winner.

Additional interest is felt in the sale of Uncle because of the report that Colin may not be as good in the Saratoga Special, on Saturday, as he was in the Brighton Junior. Colin is, however, in good shape, as his work of six furlongs in 1:12.12 today would indicate.

KINGSTON, Ireland, Aug. 9.—The report in circulation yesterday as to the condition of Richard Croker's colt, Orby, would appear to have been exaggerated. His wind is all right. He suffered from a chill, but the veterinary surgeon who has charge of him believes he will be in shape for the St. Leger on September 11.

King Bruno, who won the feature event at the Parkway meeting Tuesday, is owned by a Montrealer. He is the property of Alphonse Labelle.

BIG ENTRY LIST FOR MONTREAL JOCKEY CLUB.

The entry list of the autumn meeting of the Montreal Jockey Club, which commences on Saturday, Aug. 31st, sets a new Canadian record for fall meetings and is the largest ever for the country for a race course in its first year of existence.

Owners both in the east and west have responded liberally and the class of horses nominated is in keeping with the large size of the fields.

The Primrose Stakes for two-year-olds has no less than 34 nominations including some of the best youngsters. The Canadian Grand National Steeplechase, which is the jumping feature of the meet, has 36 nominations and brings together such owners as G. R. Tomkins, J. W. Colt and A. Henry Higgins, whose horses have been uniformly engaged on the New York tracks.

TRACK DOINGS.

Temasco, the heavily-played favorite, won the Mohawk selling stakes, the feature event of the racing card at Saratoga Tuesday. The wrestler led the field to the stretch, where Temasco came strong under a drive and won by three lengths. Ingham also beat out the Westler by two lengths. Four favorites won.

Miller rode four winners.

The annual meeting of the Parkway driving club of Brooklyn opened Tuesday afternoon, in spite of a heavy track and threatening weather. The attendance was large and speculation brisk. For the 227 pace Black Patch sold at seven met in the field, but was beaten by the second choice, King Bruno. Nine met in the 2.30 trot, for which Lake Elect was the choice, but he was never prominent. Crown Prince won easily.

MISS SUTTON MAKES SUCCESSFUL TOUR.

LONDON, Eng., Aug. 9.—Miss May Sutton, the English tennis star, was defeated by a close today, when she sailed for New York en route to Newport. The California woman champion has not played in many open tournaments as last year, but she has been more successful and will take back to Pasadena the following week.

First in the women's championship at Wimbledon, first in mixed doubles at Wimbledon, first in Kent championships, first in mixed doubles at Beckenham, second in Northern championship, second in women's doubles at Manchester, the women's Welsh championships and Lord Bute's cup, which she won outright. The trophies she won at Wimbledon and Beckenham have never been won outright.

Including the magnificent Welsh Cup Miss Sutton will take back to California prizes with a value of £120 (about \$900).

NERVES IN ORDER NERVES UNSTRUNG

This is a nerve racking age—not a man in an office or behind the counter, striving hard to get on in the world, that does not feel the strain.

If nerves are in order a man is strong, eats and sleeps well. Unstrung nerves mean weakness, worry, sleeplessness and a general decay of bodily strength, inability to do good work or to do it long.

Most men are careless of their health, trust to luck that that sort of thing, instead of taking Ferrerozine for a few weeks when they feel dull in the morning, sleep poorly or lose appetite.

Ferrerozine quickly brightens up the mind. It creates an appetite and improves digestion. Ferrerozine makes blood, quiets the nerves, makes muscle like steel and induces refreshing sleep.

Ferrerozine is a body builder, thousands have proved it. If you are sick, or even out of sorts, use Ferrerozine and enjoy the splendid reward it affords.

Permanent in its results, the greatest health giver in the world. Sold everywhere in 50c. boxes.

Irish whisky is drunk in Scotland, and Scotch whisky in Dublin.
