SUBSTITUTES.

The Public are cautioned against a custom which is growing quite common of late among a certain class of medicine dealers, and which is this: When asked for a bottle of **Pain Killer**, they suddenly discover that they are "sold out," "but have another article just as good, if not better," which they will supply at the same price. The object of this deception is transparent. These substitutes are made up to sell on the great reputation of the **Pain Killer**; and being compounded of the vilest and cheapest Drugs, are bought by the dealer at about half what he pays for the genuine **Pain Killer**, which enables him therefore to realize a few cents more profit per bottle upon the imitation article than he can on the genuine.

BEWARE OF SUBSTITUTES.

THE WAY IT WILL AFFECT YOU.

(This Engraving represents the Lungs in a healthy state.)

It excites expectoration and causes the lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. SUCH IS THE IMMEDIATE AND SATISFACTORY EFFECT that it is warranted to break up the most distressing cough in a few hours time, if not of too long standing. It is warranted to GIVE ENTIRE SATISFACTION, EVEN IN THE most confirmed cases of Consumption! It is warranted not to produce costiveness (which is the case with most remedies), or affect the head, as it contains no opium in any form. It is warranted to be perfectly harmless to the most delicate child, although it is an active and powerful remedy for restoring the system. There is no real necessity for so many deaths by Consumption, when ALLEN'S LUNG BALSAM will prevent it if only taken in time. Physicians having consumptive patients, and who, having failed to cure them with their own medicine, we would recommend to give ALLEN'S LUNG BALSAM a trial.

Sold by all Druggists.

As an Expectorant it has no equal. Contains no opium in any form.

SOLD BY ALL DRUGGISTS.
