ANOTHER YEAR OF WAR, SAYS A GERMAN ORGAN

Copenhagen, June 16.—An inspired Berlin despatch to the Kolnische Zeitung, transmitted here, discusses the probability that the war will last another year, "as neither France nor Great Britain, relying upon assistance from America, is ready to conclude peace."

France, says the despatch, must be hit much harder before she is ready to see things in the right light and direct her policy accordingly, while the submarine campaign itself is the motive for Great Britain's continuing the war, as it is felt that her world position is threatened so long as no counter-weapon or method of meeting the submarine warfare is discovered.

Lift Corns Off With Fingers

Doesn't hurt a bit! Corns and calluses loosen and fall off! Magic!

Few drops of Freezone take all pain and soreness from corns instantly

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift off, without a particle of pain or soreness.

Wonderful discovery by Cincinnati man

This remarkable drug is called Freezone and is a compound of ether discovered by a Cincinnati man. Ask at any drug store for a small bottle of Freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus. Put a few drops directly upon any tender, itching corn or callus. Instantly the soreness disappears and the corn or callus drops instantly, corn goes!

Many bottles of Freezone cost but a few cents at any drug store.

PLAYGROUNDS FOR HALIFAX CHILDREN

(Halifax Chronicle)

At last night's meeting of the executive of the Halifax Supervised Playgrounds Commission which was held in the Y.M.C.A., it was decided that during the coming season Halifax is to have on a large scale a series of properly equipped play grounds for the youth of the city. Lady Aberdeen says: "What is needed more than anything else is the conservation of our children. We were thrilled when we heard of the greater need for playgrounds than ever, in order that healthy children might be had to fill the places of their elders who had been called to war. England had in her first moments of the war forgotten her children, and the result was in the first year of war that the death rate was twelve children per hour to nine soldiers per hour. England is now using larger sums of money than ever to supply playgrounds for her children."

The plan of the Halifax commission is to have three playgrounds established, one at St. Mary's Girls' school, one at Mulgrave Park, and one on the Central Common, if the necessary permission can be obtained.

The former playgrounds at Grafton Park, Chelucto and Alexander schools will be closed. A thoroughly competent supervisor from Springfield, Mass., will be in absolute charge of the work. The grounds will be opened officially on July 9th.

The commission have decided to purchase four swing outfits for small children, six for the larger children, and four large steel slides. Two giant slides will also be among the equipment, as well as outposts for volleyball, association football and baseball for which pastime there will be three diamonds laid out.

The entire proposition will be carried out through a system of allotment by which all the children who will be subdivided in three classes will have their turn at all the apparatus.

WOMEN'S AILMENTS

Come From The Heart and Nerves

Young girls budding into womanhood who suffer with pains and headaches, and whose face is pale and blood watery, will find Milburn's Heart and Nerve Pills build them up.

Women between the ages of 40 and 50 who are nervous, subject to hot flashes, feeling of pins and needles, smothering feeling, shortness of breath, palpitation of the heart, etc., are tired over this trying time of their life by the use of this remedy.

Milburn's Heart and Nerve Pills have a wonderful effect on a woman's system, making pains and aches vanish, bringing color to the pale cheek and sparkle to the eye.

The old, worn out, tired, languid feelings give place to strength and vitality, and life again seems like living.

Mrs. Alfred J. Castor, Alta., writes: "I would like every woman who is suffering from nerves or heart trouble to know how much Milburn's Heart and Nerve Pills have helped me. For two years I kept a hired girl, and was doctoring all the time. After having taken four boxes of your pills I am able to do all my own work. I would especially recommend them to women between 40 and 50, as at that time they are more liable to suffer from well. One of my neighbors knows how they helped me, and she is now using them."

Milburn's Heart and Nerve Pills are 50c, or three boxes for \$1.25 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

\$2,491,666 DIVIDENDS ADDED TO RED CROSS

Eight Corporations Besides U.S. Steel Vote Disbursements for \$100,000,000 Fund

Eight corporations at special meetings of their directors in New York City and elsewhere voted yesterday an additional \$2,491,666.15 in dividends to the \$100,000,000 Red Cross War Fund, raising the total so voted to \$2,549,094.15. The United States Steel Corporation, which started the dividend movement, voted one per cent. on its common stock, or \$5,050,028.01, on last Tuesday. yesterday's unsolicited dividends and the \$100,000 contribution greatly encouraged Mr. Prosser and Charles Sumner Ward, the general field secretary of the campaign committee.

Many other important corporations are expected to follow the example of the Steel Corporation and the eight companies that acted yesterday, and the Republic Iron and Steel Company will consider the subject at a special meeting of the directors tomorrow. It is expected, also, that before the end of the week the American Smelting and Refining Company and the other Guggenheim mining interests will take action.

FOR FINE WORK

The Test of Time

It is nearly forty years since Mrs. Lydia E. Pinkham first prepared a botanic remedy for her women neighbors who suffered with ills peculiar to their sex. The roots and herbs—the same as are used today—she steeped on her kitchen stove.

Since which time the fame of this wonderful remedy has spread all over the world. There is barely a town or hamlet in the United States or Canada where you cannot find some woman who has been relieved of suffering by

Lydia E. Pinkham's Vegetable Compound

Thousands upon thousands of such letters as the three following tell why this famous medicine has stood the test of time.

Maryland Woman Testifies.
Cambridge, Md.—"I wish all women who suffer from female troubles would take Lydia E. Pinkham's Vegetable Compound, and be convinced of its worth as I have been. At one time I was a great sufferer and my husband brought me a bottle of Lydia E. Pinkham's Vegetable Compound. It helped me right away. Again, after my second child was born, it overcame a female weakness after everything else had failed. I know how Lydia E. Pinkham's Vegetable Compound has helped me, and I know it will help others."—Mrs. JAMES A. BEIDEL, 307 Maryland Avenue, Cambridge, Md.

Wisconsin Woman Testifies.
Milwaukee, Wis.—"Before taking Lydia E. Pinkham's Vegetable Compound I was a physical wreck. I had been going to a doctor for several years but he did me no good. A friend told me about Lydia E. Pinkham's Vegetable Compound, so I decided to give it a fair trial, and it gave me relief from bearing down pains which had been so bad that I would have to lie down. I also used the Sanative Wash and it has done me a great deal of good, and I am not troubled with a weakness any more."—Mrs. P. L. BELL, 1290 Booth Street, Milwaukee, Wis.

Ohio Woman Testifies.
Lima, Ohio.—"I was all broken down in health from a displacement. One of my lady friends came to see me and she advised me to commence taking Lydia E. Pinkham's Vegetable Compound and to use Lydia E. Pinkham's Sanative Wash. I began taking your remedies and took \$3.00 worth and in two months was a well woman after three doctors said I never would stand up straight again. I have recommended Lydia E. Pinkham's Vegetable Compound to many women and it surely has proved a godsend to suffering women."—Mrs. JENNIE MOYER, 342 E. North St., Lima, Ohio.

Every sick woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial, for it cannot harm her, and there is great reason to expect that it will completely restore her health. For special advice write The Lydia E. Pinkham Med. Co., Lynn, Mass.
