Duke street between Germain and Char-  
lotte. From present indications it will  
present a very neat appearance in the  
latest style of concrete work.

**FIRST CARGO TO THERE.**  
The steamer Chebault is due in port  
from New York about July 20, to load  
a cargo of sugar at the refinery for  
Scandinavian ports. This announce-  
ment is of more than passing interest,  
as the Chebault will be the first vessel  
to take sugar from the local refinery to  
Scandinavia, and may be the fore-run-  
ner of closer trade relations with those  
countries.

**TRADE INQUIRY.**  
The secretary of the Board of Trade  
is in receipt of an inquiry from a firm  
in Buenos Aires, wishing to get in touch  
with dealers here in hardware products,  
including brass and copper piping, lead  
piping, bathroom accessories, cement,  
paints and colors, bolts and nuts, axes,  
hatchets, and various other tools and ar-  
ticles. Mr. Armstrong has forwarded to  
them the names of about a dozen man-  
ufacturers and dealers in the city and  
vicinity.

**H. C. GROUT HERE.**  
H. C. Grout, general superintendent of  
the C. P. R. Toronto division, arrived in  
the city this morning. He was accom-  
panied by members of his family who  
are going to Smith's Cove, N. S., to  
spend a few weeks. Mr. Grout will re-  
main in the city over the week-end.  
While here he is renewing old acquaint-  
ances. Mr. Grout was superintendent of  
the New Brunswick district for several  
years.

**C. P. R. BRIDGE CASE.**  
The Times is requested to state that  
reports of the Chancery Court hearing of  
the 11th instant in regard to this  
case, while technically correct were  
somewhat misleading to the general pub-  
lic. The fact is that Colonel Mousset,  
one of the expert witnesses for the rail-  
way company, was indisposed and will  
not be in a position to give evidence for  
a month. For this reason the case could  
not be tried at this court. It, therefore,  
has been postponed by mutual consent  
and will be taken up at the next Chan-  
cery hearings in St. John.

**TRAFFIC CASES.**  
For the first time in some days there  
was a clear sheet for the sitting magis-  
trate's inspection when police court  
opened this morning. The only matters  
of business for his attention were two  
traffic cases.

**T. S. TOTTEN** pleaded guilty to a charge  
brought against him by Policeman  
Young of passing a standing street car  
while passengers were alighting. He was  
fined \$10.

**Miss P. Knight Hansen**, charged with  
refusing to stop when signalled to do so  
by Policeman McNamee, said she didn't  
know what the signal had meant. The  
case was set over for evidence.

**CONTRACT AWARDED.**  
The contract for the construction of a  
sewer from Spur Cove Crossing to Ran-  
dolph in the parish of Lancaster has  
been awarded to the Maritime Construc-  
tion Co., so W. Murray Campbell, chair-  
man of the sewerage board announced  
today. The work will cost \$48,000.  
Other tenders received were: James E.  
Kane, \$5,693.25; N. J. Lahood, \$4,892.25;  
J. C. Simon, \$4,907.30; P. Saab & Co.,  
\$5,721.20. Mr. Campbell said that in the  
case of the tender from Mr. Simon there  
was no return address enclosed, and he  
will therefore have to hold the tender  
check of this tenderer until called for.

**PRESENTATION.**  
Mr. and Mrs. John McLellan, 919 Char-  
lotte street, were pleasantly surprised  
last evening when fellow members of the  
East Car Club called to express the  
pleasure they felt at their return from  
the West Indies after several years spent  
there. On behalf of the club, the presi-  
dent, Mrs. C. Caddell, in a graceful  
speech presented to Mr. and Mrs. Mc-  
Lellan a handsome tea set and there was  
also quite a shower of individual gifts.  
Mr. McLellan expressed the thanks of  
himself and his wife for the remem-  
brances and the kindly thought that  
prompted the action. Needless to say  
a very happy time was enjoyed.

**WEDDING ANNIVERSARY.**  
A very pleasant time was spent on  
Wednesday evening at the home of Mr.  
and Mrs. William A. Buchanan, 47 Mar-  
ket Place, West St. John, when a party  
of their friends gathered to assist them  
in celebrating the fifth anniversary  
of their wedding. During the evening a  
combination cooker and a china dish  
were presented to the bride and groom  
of five years. In addition, little Miss  
Hilda Gardiner presented to them a  
beautiful bouquet of flowers. A dainty  
repast, followed by music brought to a  
close a happy time, and the guests de-  
parted extending best wishes to Mr. and  
Mrs. Buchanan.

**PROBATE COURT.**

**ALL READY FOR**  
**WATER CARNIVAL**

Arrangements for Vehicles at  
Lily Lake Tomorrow--The  
Question of Half Holiday.

Frank White announced this afternoon  
that everything was in readiness for the  
big aquatic carnival on Lily Lake tomor-  
row afternoon. The diving board was  
set up and the apparatus necessary for  
the feature demonstrations placed in  
position. He said there were a large  
number of local entries in all the events  
and all should be on hand and ready  
as soon as their names were called so  
that no delay might be occasioned.

The champion swimmers and divers,  
who are here to compete in the events,  
were driven to the lake yesterday and  
enjoyed a dip. They said they did not  
find the water cold, but the air was  
cool. They swam around, some going  
nearly all the way around the lake,  
while others of the young ladies en-  
joyed a dip. Owing to the water  
being fresh they said it was harder to  
swim in than the salt water at their  
beaches in the states.

This afternoon they were taken for  
a spin as far as Gondola Point and later  
driven to the lake where they again  
went in for a swim.

Joe Moore, who is to perform some  
comic stunts at the carnival, is a wid-  
come visitor to the city. He made a  
host of friends while here last winter  
and is being greeted on every side. Last  
evening he went to see the baseball  
game between St. Peter's and the St.  
John's and while there renewed acquaint-  
ances with a number of friends and ad-  
mirers.

All who intend to see the sports to-  
morrow and plan on going to the lake in  
vehicles of any kind should keep in  
mind that they must go via Mount Pleas-  
ant avenue. When they enter the park  
traffic policemen will be on duty to  
direct them where to go and park their  
cars. No automobile or vehicle of any  
kind will be permitted to enter the park  
by any other route.

**As To Half Holiday.**

Mayor McLellan, when asked this  
morning if it was his intention to pro-  
claim a half holiday on Saturday after-  
noon in order to allow everybody who  
desired it, to attend the aquatic carnival  
at Lily Lake, said that he was some-  
what surprised that there should be any  
necessity for such a proclamation. "The  
seeming selfishness of a few should not  
be allowed to interfere with a half-day's  
enjoyment of those who are confined to  
offices, stores and business houses," he  
said.

He therefore requested that the few  
citizens who wish to prevent their em-  
ployees from participating in the half-  
holiday tomorrow will relent of the seem-  
ing desire to acquire a few extra pennies  
at the expense of the competition of  
those who are ready to acknowledge the  
right of their employees to the enjoy-  
ment of such a holiday.

**H. E. KANE TO A**  
**NEW POSITION**

Resigns C. G. M. M. Post to  
Join Nagle & Wigmore--  
Steamship Business An-  
nouncements.

Thomas Nagle, head of Nagle & Wig-  
more, announced today that his firm had  
taken over the business of the Interna-  
tional Mercantile Marine Lines, as gen-  
eral passenger agent and freight agents for  
New Brunswick. The business of this  
line includes the White-Star Dominion  
line, with sailings from Montreal to  
Liverpool, including the steamer Regatta.  
The largest passenger vessel entering  
Montreal at present; the White-Star line  
with sailings from New York to Cher-  
bourg, Southampton, and London, in-  
cluding the Majestic, the largest vessel in the world,  
the Olympic and Homeric. In addition,  
the White-Star line have sailings from  
New York to Liverpool by the Baltic,  
Cedric, Celtic and Adriatic, and sailings  
from New York to Mediterranean ports.  
In fact, the White Star and its sub-  
sidiary lines, the Red Star, Leyland and  
American lines, cover every port of im-  
portance in the world.

In this connection, Mr. Nagle an-  
nounced that Harold E. Kane had re-  
signed as port agent of the Canadian  
Government Merchant Marine, to be-  
come a member of the firm of Nagle &  
Wigmore. Mr. Kane has been port  
agent for the C. G. M. M. for nearly  
three years, and previous to that time,  
was with the Canadian Pacific railway.  
He is regarded as being one of the most  
promising of the younger business men  
of the city and his former positions make  
him well equipped for his new work.

Mr. Kane said this morning that his  
resignation would take effect at the end  
of the month. W. G. Miller of Mont-  
real, who is chief clerk here during the  
winter port season, will assume charge  
of the business of the C. G. M. M. here,  
until a new port agent is appointed. It  
is not known yet who the new appointee  
will be.

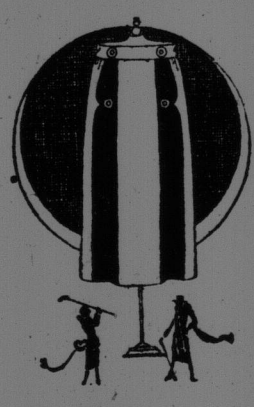

One end of the White-Star business  
which Mr. Kane will pay particular at-  
tention to is the annual cruises to the  
West Indies by the steamer Megantic.  
She will leave New York next winter  
for cruises of twenty eight days to the  
West Indies, Panama canal and South  
America.

It was said that some of the palatial  
vessels of the International Mercantile  
Marine may make St. John a port of  
call. The White Star people would be  
glad to have their ships call here, if  
business warranted.

**A GOOD WORD FOR ST. PETER'S.**  
(St. Croix Courier.)

The famous St. Peter's team came  
from St. John Thursday for an evening  
game with St. Stephen, but rain had  
spoiled the diamond, and the game was  
postponed until Friday evening. Many  
had wanted to see St. Peter's, famed as  
a good ball team, good sports and good  
young citizens, in action, and the at-  
tendance was large.

His reverence Father Hogan sat on  
the bench with his "boys," but whether  
he or a little lad in uniform was acting  
mascot was hard to determine. Truth  
to tell, any clergyman of any church  
could travel anywhere with that bunch  
of young men and never have cause to  
feel ashamed of the company he was in,  
either as ball players or citizens. But  
they met their match, in every way, in  
the St. Stephen team.
