

NEWS NOTES GATHERED FROM THE WORLD OF STAGE AND SCREEN

BOYS PRODUCE AN
EXCELLENT REVUE

"Cap and Bells" Performance Heartily Received by Large Crowd.

A bumper house greeted the Cap and Bells Revue last evening in their initial performance at Pythian Castle Hall, the proceeds to be for the rebuilding of the hall at Knox church. The stage settings were excellent, making the sketches very realistic and at times beautiful with the good lighting effects. "Donald Gwyder," David Legate, was stage director and general manager, and Teddy Campbell, of Fairville, the clever boy cartoonist, was scenic artist. After seeing his drawings in his act, "Chalk Talk," the artistic stage setting was well explained.

Purdy Cougle, of Fairville, delighted the audience with his fine tenor voice. In well-rounded tones and clear enunciation, he sang two pretty songs and responded to encores. David Legate's baritone solos were received with hearty applause and encores. To him was given much credit for the success of the revue. He was very funny in the comic song, as "Pamboo," when he sang, "If I was what I ain't instead of what I is." The Old Home Town was well put on by Jim Fox and Wesley Stewart. J. Legate gave a funny sketch to music "Sh-h-h-h." The sketch of "The Rachel" was pretty in its scenic effect and a complete sell, when the musicians (?) were shown up in the bright light. The music was excellent, for which they took the credit. Others who took part in this were Hal Friars and Drew Mulcahy, banjolaists. "Black Magic" was a good skit on usual stage stage-of-hand, carried out by the Legate boys. The company gave two ensemble selections that were good musically and quite the thing in scenery and stage setting. Charles Wakcham assisted the company. "Blak Pilosity" by Rev. Brander Meales, was not so good as good as the other acts, but had many clever points in its favor. One of the other sketches, "The Dentist's Den" was laughable and well presented by Messrs. Legate, Stewart and Corbett. Thanks was extended to Mrs. William MacCallum, Mrs. Fimmore, Miss Myrtle Crawford, Roscoe Bond, Master R. Thompson, Master E. Foster, Herbert Lawton, J. Herbert Crockett, E. Palmer Kinman, John Golding, A. O. Skinner, C. E. Everett and J. Whitte-son for assistance in the carrying out of the revue.

FREDERICTON
LADY CALLED ON
MARIE CORELLI

At least one resident of the city, says the Fredericton Gleaser, had the pleasure and honor of meeting Marie Corelli, noted authoress, who died on Monday at Stratford-on-Avon, England, and Miss Jeannette Beverly is the person.
Some years ago Miss Beverly was on a visit to England and expressed a wish to meet the authoress at her home. Although she had for some time before that refused any audiences, on finding out that Miss Beverly was a Canadian, she sent word that she would be pleased to receive her, and Miss Beverly called upon her at her home at Stratford-on-Avon, which was just around the corner from where Shakespeare had lived.
In recalling the meeting, Miss Beverly said it was one of the outstanding pleasures of her life, the authoress being so congenial and charming and so intensely interested in Canada.

By No Means
Allow Your Bowels
To Get Constipated

If you allow your bowels to become constipated you will have bilious attacks, sick headache, coated tongue, foul breath, sallow complexion, specks floating before the eyes, whites of the eyes dull and yellow, heartburn, water brash, etc.
Keep your bowels regular by using Milburn's Laxa-Liver Pills, — by doing so you will be able to keep well and have no more trouble with your liver.
Mrs. I. Rubin, Halbrite, Sask., writes, "I was very badly troubled with constipation, often had bad headaches, my tongue was coated, and I felt anything but well."
"After taking Milburn's Laxa-Liver Pills I have felt much better as they certainly did me a lot of good."
