Q.285 What did you notice yourself?

A.285 Well, I noticed one or two of the ribs in the body had been bent or broken and part of the cab.

Q.286 Any marks on the fender or body of the car?

A.286 I don't remember seeing any.

Q.287 When you climbed out of the truck what steps were taken then - what did you do?

A.287 There was a vehicle coming from behind....

Q.288 How long before that vehicle from behind arrived at the scene of the accident?

A.288 When I got out of the truck it had stopped then, as far as I can remember it stopped then.

Q.289 Just as you were getting out of the truck?

A.289 I think it was stopped when I got out, I was a bit dazed myself, I cannot say for sure.

Q.290 What was done at that time?

A.290 There was a bunch of us got hold of the truck and turned it back on its wheels.

Q.291 And what part of the road was the truck on then?

A.291 It was on the right side, it was cross ways of the road, most on the right side.

Q.292 And after you turned it back on its wheels did it remain there?

A.292 No, it rolled back in the ditch on the side of the road.

Q.293 To your knowledge was there any indication of fog at the scene of the accident?

A.293 No, Sir.

Q.294 Did the driver offer any explanation at the time of the accident as to how it happened, in your presence?

A.294 I am not sure but I think he said a car was coming from the opposite direction and the lights blinded him.
