taken by the opposing counsel was not harbor of Bathurst is not deeper than it

A Military Brigade Camp is being held at Sussex on the ground known as

8th Regt. Cavalry—3 troops; Woodstock Field Battery; Brighton Engineers;
73rd Battalion;
74th Battalion. The Brigade Staff is as follows .-

Lieut. Col. Taylor, D. A. G., Commandant. Lieut. Col. Crewe Read, Brigade Major. Major Freeland, Asst. Brigade Major. Major Markham, Orderly Officer. Surgeon Bishop, Principal Medical Officer. Captain Cropley, Provost. Capt. Emery, Camp Quartermaster. Captain McKenzie, Supply Officer. Lieut. McMullen, Musketry Instructor. Lieut. Hunter, Brigade Sergt. Major.

At latest advices the Camp was hardly ompleted, its full quota of men not having arrived, although they are, doubtless, all present now. Our own Battalion, the 73rd, under Major McCulley left home on Monday. Four companies commanded, respective

ly, by Captains Fenton, McKnight, Cameron and McNaughton paraded at Chatham Station at ten o'clock a. m. Major McCulley's staff consisted of Capt. A. S. Templeton, Adjutant; Quartermaster A. Cantley; Orderly Room Sergt., Norman McKenzie Capt. Hutchison's Company was to

Mr. Clarke, in a petition to Parliament, has made some serious charges against Mr. Wood, and it purchases by Mr. Gibson in the last is said that he is supported by Dr. Schultz, who presented the petition, and by others, who, for some reason, dislike rupt things very openly there and seem used to it. A Mr. Wm. J. Travis, of Bloomfield, deposed that he gave several persons money to "come and see min by a strong desire to according to the post to the gave several persons money to "come and see min by a strong desire to content of the post to the post to the post to the gave it, or if they do the badness of the roads prevents them from visiting that most sive work."

The residents of Carleton, St. John, on Wednesday last voted against being taxed to the extent of \$1,000 to have the streets lighted. This very 'act, reached in the min by a strong desire to correct, and carrying the war interesting district, the long tongue of the soul and the infusion of perfect sanctification are progression by a strong desire to correct, and carrying the war interesting district, the long tongue of the soul and the infusion of perfect sanctification are progression by a strong desire to correct, and carrying the war interesting district, the long tongue of the soul and the infusion of perfect sanctification are progression by a strong desire to correct, and carrying the war interesting district, the long tongue of the soul and the infusion of perfect sanctification are progression by a strong desire to correct, and carrying the war interesting district, the long tongue of the soul and the infusion of perfect sanctification are progression by a strong desire to correct, and carrying the war interesting district, the long tongue of the soul and the infusion of perfect sanctification are progression of the soul and the infusion of the chief Justice has made to the deals—

Some 25,000,000 feet—and has taken all to the extent of \$1,000 to have the streets are progression of the chief Justice has made to the extent of \$1,000 to have the streets are progression of the soul and the infusion of the chief Justice has made to the extent of \$1,000 to have the streets are progression of the soul and the infusion of the soul and the infusion of the soul and the infusion of the soul and the lighted. This very act, reached in the main by a strong desire to economise, may home supply and some 10 to 12 millions ments are correct, and carrying the war into Africa, by contending, and apparent. ly proving, that Mr. Clarke's hostility was provoked because the Chief Justice thwarted him in some unprofessional proceedings. The following extract will give some idea of the nature of the voluminous reply. Summing up what he thinks he has proved against Mr. Clarke, the Chief Justice says:-"Mr. Clarke stands forth, regardless of

(McLeod), did not offer him. Coming down on the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he heads the train one day he met Mo-Leod and suggested to him that he would handle it. He said he would lath im the would handle it. He said he would lath the fish which they could catch, a thing heads the would catch, a thing heads the would catch, a thing heads the would catch, a thing heads the power. The suggested to the suggested to the suggested to the strip of the supply of all mandle that money and take the responsible under their present circumstance met McLeod and told him he would handle that money and take the responsible will be trained to the such and the COPPINS and CASKETS
