is GRAND EXTRAORDINARY DRWINGS take communication; nor can any reliance that Mr. Russell was the envoy, direct-selves within the bounds which other Lower Neguto Wharf. It will be seen by advertisement in an dealing in tranactions requiring the services of spies and informers, that it is no wonder Mr. Burns set his face against the propositions formulated as The event will, in all probability, of the route for the construction of the proposition of the propositions formulated as The event will, in all probability, of the route for a portion of the estimated cost of the route for a portion of the estimated cost of the route for a portion of the estimated cost of the route for a portion of the estimated cost of the route for a portion of the estimated cost of the route for a portion of the propositions formulated as **We do hereby certify that we supervise he arrongements for all the Monthly and Semi-Annual Propositions formulated as against the propositions formulated as against the propositions formulated as against the propositions formulated as soon as he heard of them. Whether Manual Propositions formulated as soon as he heard of them. Whether below, and that the same are conductive with honesty, fairness, and in good faith sonesty, fairness, and in good faith sonesty, fairness, and in good faith commonly to use this certificate, with faction of the event will, in all probability, prove that this expectation was justified, as the incompleteness—unto to say incompetency—of "Mr. Russell went from Westmorland to Bathurst as the plenipotentiary of the conservative party to heal an unseemly division in that party in Gloute afterisements."

**Arctises's" work in connection with the ecuservative party to heal an unseemly division in that party in Gloute afterisements."

**Arctises's" work in connection with the petition may lead to that result be petition may lead to the free making the necessary plans and specifications and that afforded to each other. It is quite right that copies of making their estimates and getting their offers to Ottawa, are out of reasonable proportion to each other. It is quite right that copies of the plan afternily to the Marine and Fisheries beging of the work was made at the last session of Parliament, and its seems that the time taken for making the necessary plans and specifications and that afforded to the work was made at the last session of Parliament, and its seems that the time taken for making the necessary plans and specifications and that afforded to the work was made at the last session of Parliament, and its seems that the time taken for making their events with the conservative party in the conservative party in the conservative party in the conservative party in the conservati we the undersigned Banks and Bankers sidering the bad faith they kept with bim, he will be as well pleased that our counters.

Bold Writing R M. Walmsley. Pres. Louisiana Nat. Bk.

We the undersigned Banks and Bankers and Bankers of the undersigned Banks and Bankers of the undersigned Banks and Bankers of the will be as well pleased that bim, he will be as well pleased that Mr. Burns took the dignified and hon-first interviews in the ADVANCE happened to go into the Chatham post office on Monday and was, orable course of letting his enemies do first interview in the office of the by the courts of the postmaster, given their worst, rather than surrender to latter, and that the subsequent scenes a chance to examine the plans and specifitheir demands in judge Landry's be- at Mr. "Narcisse's" hospitable resitheir demands in judge Landry's behalf. It almost seems like firing at dead ducks to revert to the correspondence of which we gave an outline last ence of which we gave an outline last expense in order that they might assist is week in connection with the Bathurst eyes in order that they might assist in was thus within their reach, no doubt Courier's incoherencies, but we promised working the same process upon their availed themselves of it, but what about to publish the letters of Mr. Russell "compatriots." It was a little rough the scores of others in Chatham, New-300,000 and Mr. Armstrong and, therefore, now on Mr. Russell, but rather more so on castle, Douglastown, Nelson, and elsedo so. It will be remembered that Mr. the petitioner and the two friends who where, who had no such opportunity and 25,000 Ware isse Landry—the hero of the "house by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have their by the astute host in the could not obtain it in time to have the could not obtain estimates made and tenders forwarded t Ottawa in due form by the 16th inst 50,000 Armstrong of Youghal had something The other party particularly inter-

that the \$500 business was deemed too good news to be true by the petitioner and his attorney, who, doubtless, were tring of the late visits of W. A. Russell, Esq., to Bathurst, I beg you to inform the public that I knew nothing of the scrape and together wantthe business of W. A. Russell, until I was told of the letter of N. A. Landry in the Courier. I may in addition say that I had not the slightest conversation with the said W. A. Russell about the matter of the election petition whilst he was at my place. Yours truly,

Power Active was a way place. Yours truly,

The side of the scrape and together want Robert Armstrong. have been pleased to give the scheme solid road-bed. From the end of this 80 set aside almost as soon as projected. The Here, also, is Mr. Russell's letter to since its failure became manifest, it ft. so built, there will be 290 feet of conseems reasonable to believe that these tinuous open crib work, built of round should trust to any medicines alone as emphasises the points which the unforand the etceteras, and goodness knows what lengths they would have gone to had Mr. Burns' flat refusal to be a had Mr. Burns' flat refusal to be a not less than 7 in. at the small end, and life generally assumed that influenza in the small end, and life generally assumed that influenza in the small end, and life generally assumed that influenza in the small end, and life generally assumed that influenza in the small end, and life generally assumed that influenza in the small end, and life generally assumed that influenza in the small end or less than 22 feet long, ing medicines to the best of their skill, but the small end, and life generally assumed that influenza in the small end or less than 22 feet long, ing medicines to the best of their skill, but the small end, and life generally assumed that influenza in the small end or less than 22 feet long, ing medicines to the best of their skill, but the small end or less than 22 feet long, ing medicines to the best of their skill, but the small end, and the had Mr. Burns' flat refusal to be a to be solidly filled, from top to bottom a kind of zymotic fever; but while it is party to their scheme not upset the with good durable stone ballas', the stones clear there is fever in it, and sometimes Dear Mr. Hickson:—Yours of yesterlay is just received. I can't say I am
surprised at Landry, as he would stick at

posure which must leave "Mr. Nar
posu whole arrangement and caused the ex- showing between the logs of the crib- of a very pronounced type, there is said boshe what was said about Mr. Burns. I ter. We, therefore, think we were ras aware that I would probably not be ble to get the petition dropped and in ach event knew that Mr. Burns might ber:

think we were that I would probably not be fully justified in saying on 31st Decemble to be nineteen blocks 20x20 feet, built with a batter of 1 in, 12 on the sides and it will not be fought off as an ordinary life with a batter of 1 in, 12 on the sides and it will not be fought off as an ordinary life with a batter of 1 in, 12 on the sides and it will not be fought off as an ordinary life with a batter of 1 in, 12 on the sides and life will not be fought off as an ordinary life with a batter of 1 in, 12 on the sides and life will not be fought off as an ordinary life with a batter of 1 in, 12 on the sides and life will not be fought off as an ordinary life with a batter of 1 in, 12 on the sides and life will not be fought off as an ordinary life with a batter of 1 in, 12 on the sides and life with a batter of

ment on the removal to St. John of Mr. James Mitchell, Superintendent of Light- have also been great, yet it is my James Mitchell, Superintendent of Lighthou es at the time it was made; the government's action in the matter being looked upon as a decided slap at the North Shore and particularly at the Miramichi. A few months ago there were rumors that people who had long known him, naturally enquired why. Now, it is stated in Appointed at the January Session of the papers that Mr. Mitchell is snper-

Chas. H. Spurgeon, the eminent London Baptist preacher, died last Sunday evening. He was only in his fifty ninth year-although his world-wide reputation has caused him to be thought of, by a generation at least, as a much older man. His Redmond, Thomas Green, Alex. Templeton, No. 1; Peter O Neil, No. 2. whole life has been devoted to Christian Ambrose Hay, James Wood, (Douglastown,) enterprise and preaching of the most David Lawson, Jas. Gillis. effective and attractive character, and he leaves a place as an independent master. Dist., John Forrest, lower Dist., John Reed, builder in church work that will probably middle Distnever be fully filled by any other nan. To say that he was the greatest Baptist of the century but faintly expresses the eminence to which he attained n that church.

The Influenza, or Grippe.

The presence of influenza in our midst is a fact which concerns a number. if not George Dick, Napan. all, of our readers. On this subject we YOUGHAL, GLOUCESTER Co. Jan. 26, 1892. time that he said he "was afraid he For the information of those of our have been favored with a letter from the would have difficulty with those who readers who may have an interest in the Rev. Dc. Stewart, to which we desire to DEAR SIR:—My attention having been had advanced the money and were from the plan and specification, which As I see a note of instruction in your issue of the "Courier des Provinces Marithat the \$500 business was deemed too The new wharf is to be constructed so you will allow me to add a little on this last issue regarding influenza, perhaps

What I told Landry in reference to the judgeship was this—that his brother was amplicant for the appointment, and applicant for the appointment, and that the Conservative party, outside of Gloucester, looked on the prosecution of the option against Mr. Burns as being prompted and carried on by a section of flow the theorem to the block to be of less thickness, and that the point face the block to be of less thickness, and that the heart will scarcely carry on the circulation, unless the body be kept in the recombent position. Here is the critical point, and people will scarcely take warning; they think it is nerely a doctor's and that strong party-men and friends of the coll is gone; that is all, every what strong party-men and friends of the point was applicant for the appointment, and applicant for the appointment, and applicant for the appointment, and that the Conservative party, outside of Gloucester, looked on the prosecution of the unit the force on the dother to be dolted down) with the volted and carried on by a section of flower themselves, contributed so fully as the part led block to be of less thickness, and that the heart will scarcely carry on the circulation, unless the body be kept in the recombent positi

the influence that might be needed to effect Judge Landry's appointment. I pressed him pretty strongly on this point, He, and the editor as well, complained that Mr. Burns was opposed to the apduction of nerve or vital energy. The Miller, Commissioners of Highways: United Miller, Cornelius Connolly, John Delaney.

My becavements of the last 30 years of my reign have been indeed heavy, and through the labors, anxieties and responsibilities inseparable from my position
