

POOR DOCUMENT

THE ALBERT STAR, WEDNESDAY, JULY 11, 1894.

Locals.

—Australian fruit is now being received and sold in Moncton.

—The British Columbia elections have resulted in a government majority.

—Attention is called to the dangerous state of the sidewalk across the "lake."

—To the happy couples announced in another column we extend our best wishes.

—The strike at the Joggins mine has been settled and the men have gone to work.

—Rev. J. C. Berrie delivered his farewell sermon last Sunday evening to a large congregation.

—A report has reached us that Mrs. William Hawkes, of Curryville, on Saturday last poisoned herself with Paris Green.

—The twelfth of July will be celebrated by the Orangemen at Riverside. Trains will leave Hillboro' at 7 o'clock standard time. Tickets at reduced rates will be issued.

—If you are desirous of purchasing a nice clock for your home, it will pay you to read K. Beaumont's "ad" in this issue. If you cannot call write him for prices and terms.

—George Steeves of Moncton, who left for the west about ten years ago, and worked in the gold mines of British Columbia, is reported to have been murdered by a mining companion.

—During the month of July, August and September, Saturday excursion tickets will be issued on the Salisbury & Harvey Railway, good to return the following Monday. A. Sherwood, Manager.

—A shooting accident occurred at Dawson Settlement on Friday last. Albert Douthright was handling a revolver when it accidentally discharged, the ball entering the upper part of his leg where it still remains.

—We want the public to know that A. A. Smith has started a carriage and undertaking business at Hopewell Cape, where all work in both lines will be done promptly, and in order. Painting and repairing a specialty.

—Road machines are doing good work this season. The section machine has been put in the condition with a machine under the management of D. B. Livingston. The Crowdale road near the bridge has also been benefited thereby.

—Look before you leap! We buy direct from manufacturers and give you middle-man's profit. Getvalized Iron Gutter in 6-foot lengths, only 12 cents per foot. Send us the measurement of your house, and get it shipped to you free of charge. T. A. Treene, Albert, N. B.

—The railway strike in the United States is assuming a formidable proportion. Hundreds of thousands of dollars of property has been burned and destroyed by the mob, and many persons have been shot by the soldiers in their endeavor to restore order. Chicago seems to be the central point of disorder.

—H. H. McCully, piano tuner, found on the sounding board of a piano, in Moncton the other day some pebbles, a piece of a toy whip, nails, slate pencils, a watch key, a piece of rosin, blue glass, two beads, half a dozen pins, half a dozen carpet tacks, three broken matches, a lead pencil tooth, and a small handful of peanut shells.

—Amongst the week's deplorable events, we record the death of Mrs. Harris Reid, a highly respected lady, who died suddenly at her home at New Horton, on Sunday last. She leaves a family of five children, Capt. Geo. M. Reid, Wilfred Reid, Mrs. Isaac C. Prescott, Miss Rebecca Reid, and O. Reid, who have the deepest sympathy of the community.

—We understand that a large majority of the proprietors of the G. P. Marsh, Hopewell, purpose resurveying their marsh lands by removing the abutments from the creeks this fall and allowing the tide to flow in until some time next spring. The resurveying by Miss Hattie Tweedie and George Ackman in the right direction, and will doubtless result in greater crops of hay in the future as some of the marsh lands have become very much run out.

—It is understood that some of the victims of the recent railway accident threaten to bring actions against the S. & H. Company for damages sustained. Mr. Smith, of Port Lawrence, is said to have placed his case in the hands of a legal gentleman at the Cape before returning to his home. His wrist was badly dislocated and broken and will probably never fully recover, but remains quite stiff.

—The marriage of Warren A. Beatty, of Albert Mines, to Hattie B. Sears, of Lower Hillsborough, took place at the residence of the bride, father William Sears, on Wednesday the 4th inst., in the presence of a large gathering of relatives. Rev. John C. Berrie assisted by Rev. S. H. Cornwall, M. A., and the Rev. J. G. Gross, performed the ceremony. The presents were numerous, useful and ornamental. Probably there have been more wedding in Hillborough, more than other in Hillsborough, as here the grandfather of the bride lived and being a minister had many calls of this nature.

—The audience rose to express its thanks to and appreciation of the kindness of the friends in receiving them into their homes in the hospitable way in which they had been. The ice cream and strawberries were freely discussed at the close, and were much enjoyed.

—The strike epidemic is not confined to the United States by any means. The foreign capitals are all in the throes of boycotts and the kindred forms of labor troubles. While in London there is a strike of cabmen, in Berlin there is a "boycott" of the theatre to deprive the city of its beer. The keepers of gardens and restaurants there have just subscribed 1,000,000 marks for the purpose of resisting the beer boycott declared by the socialists.

—The Albert Baptist Sunday-school is increasing in membership every Sunday, there being 99 present at the last session. E. H. Robinson, Supt., presented on last Sunday, the two prizes awarded to Charlie West and Mary Lyon, the former receiving a beautiful book, entitled "Beautiful Joe," and the latter another, entitled "Uncle Tom's Cabin." The Sunday-school purpose holding a picnic next week.

—The Albert Baptist Sunday-school Convention which met here last week, was fully well attended. The several sessions were both interesting and instructive. Thirty-seven of the fifty-one schools in the county had forwarded reports, and only eighteen of these being evergreen. There are about 5,500 enrolled in the total number of schools, with an average attendance of about 1,900. Over ninety had professed religion and joined the different churches during the year. Over \$500 had been raised for the working expenses of the schools and \$25 for foreign missions. The officers for the ensuing year are: Pres., W. A. West; Vice Pres., E. H. Robinson; Sec'y-Treas., Miss M. P. Fillion; Recording Sec'y, Miss M. Colpitts; Executive Committee, Mrs. A. Rogers, Charles Smith and A. W. Leeman. Delegates to the Provincial Sunday-school Convention: E. H. Robinson, Charles Smith, Miss Fillion, Miss Bacon and Mr. Colpitts.

—Pleasant Vale. Mr. Thomas Colpitts and Master Fred M. Colpitts, son of J. A. M. Colpitts, are visiting relatives at Boundary Creek.

—The fishing party that was noticed in the Times some time ago came off and we found the young folk had a good time if they did not get many fish. Notwithstanding all the passing events of the day the dry weather still continues and rain is very much needed now as the grain is beginning to lengthen.

—Mrs. E. W. Colpitts, who has been teaching at Caledonia, has returned to her home and we heartily welcome her as she is always present at our social gatherings.

—Edward Colpitts, one of our most extensive farmers, is pulling down his barn and building garage. R. Snowball Colpitts is also building an addition to his barn.

—Our much esteemed pastor, Rev. E. Ramsey, preached his farewell sermon on Sunday last. He is removed to the Butte County circuit where we wish him much success.

—Thomas E. Colpitts, principal of the Alma school, and daughter, paid us a flying visit on their way to E. E. Island, where Mr. Colpitts intends to attend the summer school of Science.

—Miss Louisa Colpitts, who has been attending the school at Alma for the last year, in order to become a teacher, has just returned from Hillsboro' where she wrote her examination papers for Normal school.

—Concert in Surrey Hall. The concert in Surrey Hall given by the choir of the Central Methodist church, Moncton, under the direction of Prof. Harry Watts, was in every way a success. The renditions by Miss Hattie Tweedie and George Ackman were well received because well delivered. The solos were in fine voice and the admirable taste, whilst the choruses were rendered in admirable time and tune. Prof. Watts gave an organ solo that made one wonder how so much music could be brought out of a cabinet organ. The program was as follows: Hymn—Radiant Morn, Choir; Organ Solo—The Priest's War March, Prof. H. Watts; Anthem—Thou Visited the Earth, etc., Choir; Solo—Consider the Lilies, Mrs. W. Knight; Chorus—Calvary, Rodney's Hymn, Choir; Reading—The Children's Hospital, Miss Hattie Tweedie; Solo—The Better Land, Miss Temple; Chorus—Gloria, Choir; Part II. Chorus—Farewell to the Forest, Choir; Reading—First Poem, George Ackman; Quartette—Sweet Spring, Miss Toombs, Miss Parker, Mr. W. Knight and Mr. George Spencer; Reading—The Brookfield Artist, Miss Hattie Tweedie; Chorus—Ye Bees and Butterflies, etc., Choir.

—The audience rose to express its thanks to and appreciation of the kindness of the friends in receiving them into their homes in the hospitable way in which they had been. The ice cream and strawberries were freely discussed at the close, and were much enjoyed.

Harvey.

Mr. Beck and wife from Boston, are visiting at Nehemiah Stevens'.

Rev. A. Howard, of Hampton, is invited to preach here on Sabbath next.

At the last business meeting of the Baptist church, Ezra Bishop, E. H. Robinson, Zenas Turner, Gilbert Brewster and L. F. West were appointed delegates to the Baptist Association, which meets at Havelock on the 21st.

Many were the expressions of regret when it became known on Sunday last that Mrs. Harris Reid of New Horton was dead, and that she had caused her own death by taking poison. Mrs. Reid was much esteemed for her many excellent qualities of character, and the family who have been so suddenly bereft of an affectionate mother will have the sincere sympathy of the community.

The Harvey Baptist Sunday-school is increasing in membership every Sunday, there being 99 present at the last session. E. H. Robinson, Supt., presented on last Sunday, the two prizes awarded to Charlie West and Mary Lyon, the former receiving a beautiful book, entitled "Beautiful Joe," and the latter another, entitled "Uncle Tom's Cabin." The solos were in fine voice and the admirable taste, whilst the choruses were rendered in admirable time and tune. Prof. Watts gave an organ solo that made one wonder how so much music could be brought out of a cabinet organ. The program was as follows: Hymn—Radiant Morn, Choir; Organ Solo—The Priest's War March, Prof. H. Watts; Anthem—Thou Visited the Earth, etc., Choir; Solo—Consider the Lilies, Mrs. W. Knight; Chorus—Calvary, Rodney's Hymn, Choir; Reading—The Children's Hospital, Miss Hattie Tweedie; Solo—The Better Land, Miss Temple; Chorus—Gloria, Choir; Part II. Chorus—Farewell to the Forest, Choir; Reading—First Poem, George Ackman; Quartette—Sweet Spring, Miss Toombs, Miss Parker, Mr. W. Knight and Mr. George Spencer; Reading—The Brookfield Artist, Miss Hattie Tweedie; Chorus—Ye Bees and Butterflies, etc., Choir.

—The audience rose to express its thanks to and appreciation of the kindness of the friends in receiving them into their homes in the hospitable way in which they had been. The ice cream and strawberries were freely discussed at the close, and were much enjoyed.

—The strike epidemic is not confined to the United States by any means. The foreign capitals are all in the throes of boycotts and the kindred forms of labor troubles. While in London there is a strike of cabmen, in Berlin there is a "boycott" of the theatre to deprive the city of its beer. The keepers of gardens and restaurants there have just subscribed 1,000,000 marks for the purpose of resisting the beer boycott declared by the socialists.
