**Murray's Claim as Manager
Recognized by Philadelphia
Nat'l League Club—Shake
Up at Cleveland.**

Philadelphia, Pa., April 26.—The claim of William J. Murray against the Philadelphia National League Baseball Club, was adjusted here today at a meeting between Thomas J. Lynch, president of the National League, Manager Murray and officials of the local club. After the conference, Murray gave out the following statement:

"I simply want to say that the new owners of the Philadelphia club have settled with me on terms entirely satisfactory. President Lynch and I came over from New York this afternoon and met President Fogel and Judge Elliott at the club's office and in less than half an hour arrived at an amicable agreement. The new owners have dealt fairly with me and that is all I have to say."

The terms of the settlement of the claim, which was for the complete term of manager and for back salary, were not made public.

Cleveland, Ohio, April 25.—As a result of the recent slump of the local team of the American League, Manager J. McGuire today announced several changes to take effect tomorrow. Stovall will play first base, Lajole, second; Turner, short and Graney, centre field. Birmingham goes to the bench.

NATIONAL LEAGUE.

Philadelphia, Pa., April 26.—Philadelphia defeated Boston today by a ninth-inning rally with men on second and first and two out. Bates doubled to centre, scoring both runs and ending the game. Ewing made his debut with the home team and pitched excellent ball, after the first inning. The score:

CHANGE IN SOCIETY LINE-UPS

A meeting of the executive of the Interscholastic League was held in the office of the president, Mr. J. A. Barry, last evening. Representatives were present from the different teams and several matters were discussed. A schedule of a definite nature was postponed until Saturday evening when a meeting will be held at which final arrangements will be made. A schedule of games is being drawn up and will in all probability be announced today. It is said that several well known members of the society league will be seen upon the lineup of other teams this year. Among those who will line up with other teams are the veteran backstop Mills, Walter Harris and Johnny Cregan. Their places will be filled with young players who are said to be very fast, and the fight for the society pennant is expected to be more keen this summer than for the past couple of seasons.

CARLETON XV RECEIVES FINE TROPHY

The Carleton football club have received the trophy won by them in the city football league last summer and with a large group picture of the team it is on exhibition in the window of W. C. Wilson's drug store, West end. The trophy is a very handsome one and the boys are justly proud of it. The club is composed of the following members: G. Clark, R. Armstrong, P. McAvity, R. Lanagan, R. Drinan, F. Pike, A. Estabrooks, A. Duffy, G. Saul, E. Cochran, J. Murphy, H. Blisset, R. Baskin, D. Roberts, R. Stewart, W. C. Wilson is president of the club.

Training Face of Jim Jeffries No Pleasant Sight For Johnson

Here's the big bear, just as he looks when he's a little bit sore at something. Imagine then the face that will glare at Jack Johnson when the two meet at Emeryville, July 4.

Jim Jeffries with a mad on isn't a pleasant proposition for anyone to back up against, and he's pretty sure to be in just this shape when he stacks up against the present holder of the heavyweight title.

The amount of love lost between Jeffries and Johnson would never get a reward for anyone who found it lying around loose. While Johnson professes to have nothing but the friendliest feelings for his opponent, Jeffries refuses to dissemble, and says what he thinks about big Jack.

Just to get an idea of how big Jeffries really is, look at his thigh. It resembles, more than anything else, perhaps a sturdy oak tree. Its immensity costs much doubt upon the story that Jeffries weighs but 220 pounds, and gives color to the story that the big bear tips the beam in the neighborhood of 250 or 260 pounds.

NOTIONS OF THE ATHLETES

**Langford the Favorite Over
Ketchel in Tomorrow's Fight
—Jake Beckley Out of Game
for Good.**

New York, April 26.—This will be a busy week in the boxing world. The star bout is the Ketchel-Langford fair in Philadelphia tonight. Six rounds will be the limit in this fight. Many New York sporting men will be at the ringside and a majority probably will show a preference for Langford, who will rule favorite. Ketchel is in splendid condition and showed a crowd of fans some lively stunts at Woodlawn yesterday. He weighed 159½ pounds, stripped, and said he was confident of winning. Another magnetic affair is a ten round battle between Abe Attell, American featherweight champion, and Harlem Tommy Murphy at the Empire A. C. in Harlem next Thursday night. Murphy is strictly a lightweight, and will not be a good under 165 when he steps into his corner. Attell, who has worked strenuously for the mill, says he will be at least twelve pounds lighter than the Harlem boxer, but this will make no difference as far as the result is concerned. Attell outpointed Murphy in six rounds at a Philadelphia club five years ago but the latter has improved a lot since. They have agreed to box under straight Queensberry rules, stepping out of clinches when so ordered by the referee.

Johnny Coulon, the Chicago bantam will have to go to beat Frankie Burns, a hard hitting clever boy, in ten rounds. A counter attraction is a ten round battle between Tommy Houck and Charlie Goldman at the Olympic A. C. in Harlem.

Monte Attell, Abe's bantamweight brother, who has just arrived here from California, will fight ten rounds at the National Sporting Club in West Forty-fourth street tonight. His opponent will be Joe Wagner, a great little man. The winner may get a match with Coulon at this club later on.

Frank Picato, the California lightweight, who recently whipped Johnny Marto and Dick Nelson in local bouts was knocked out in five rounds by Mickey Gannon at a Philadelphia club Saturday night. Gannon won all the way, having Picato almost out in the second round. Willie Lewis and Harry Lewis, old rivals and well acquainted, went 25 rounds to a draw in Paris, France last Saturday night. There was a big crowd, consequently big gate receipts, which was further proof that shrewd boxers and their managers know how to get the money from easy-going Frenchmen.

Jake Beckley, veteran ball player, has reached the end of his career in that capacity. Danny Shay, manager of the Kansas City club, released him unconditionally last Saturday. Beckley is 48 years old and began his major league career in 1886, playing just 20 years in fast company. He was a member of the Pittsburgh, St. Louis, Cincinnati and New York national league clubs in that period and was not only a splendid first baseman but a heavy left handed batter. Beckley says he will play with a semi-professional team in Kansas City hereafter.

THE COMING SEWANHAKA CUP RACES

Boston, April 25.—The Seawanhaka cup, tender now building at Manchester from designs of E. A. Boardman, for the defence by the Manchester Yacht Club, of the Seawanhaka cup against the Canadians this coming July, will be christened Massachusettus at the launch, which will take place about the end of May with the regular ceremonies. She is now fast nearing completion and May 1 will see her ready for her first coat of paint.

The David Fenton Co. is building the new and it was their concern which built the successful challenger Manchester in 1905, the first representative of the United States to win the cup in nine years steady racing. Cousens & Pratt, who made the sails for Manchester then, will make them for Massachusetts this year. Pigeon Brothers of East Boston will build the hull and Merriam Brothers of South Boston will make the special equipment of blocks, etc.

The boat is being built by subscription by the members of the Manchester Yacht Club and will be under control of the club. This committee has already selected the gentlemen who will crew the boat. They are E. A. Boardman of Boston and Manchester, John L. Soutwell of Beverly and Boston, Elliot Wadsworth of Boston, and R. DeB. Boardman of Boston.

These men are all expert amateur sailors, having been interested in the sport for many years. The boat will be distinctly a Bay State product, having been designed, built, handled and owned by Massachusetts men.

It is unfortunate that there will be no trial course for this defender, but as there is no class for this type here and they are, to say the least, expensive, naturally few people care to build one. This boat is to be tried against the fastest craft in the bay during June and July, with the hope that she will be able to receive the necessary tuning up.

**Return Journey of Winner of Boston Marathon
Series of Triumphs --- Presented With Gold
Watch Before 5000 People at Amherst---Given
Warm Reception in St. John and Moncton.**

Special to The Standard.

Amherst, April 26.—Fred S. Cameron, champion long distance runner of America, accompanied by his trainer, Thomas Trenholm arrived home from Boston tonight, from St. John. To Amherst the return of the victor took the form of a regular triumph. At all stations along the line crowds of people gathered to greet him. Action of the train arrived in Amherst fully 5000 people thronged the station and streets, and almost cheered themselves hoarse when Cameron and Trenholm appeared on the scene. The town itself all day presented a gala appearance. Flags were flying from all public buildings and the streets were gay with bunting. A procession headed by the band was formed at the station and Cameron and Trenholm were escorted to the auditorium building. The building was packed to the doors. Mayor Currie presided and on the platform was a large number of leading citizens comprising town councillors, merchants, manufacturers and professional men. Adorning the centre of the platform was the handsome trophy which was the emblem of Cameron's great victory. Mayor Currie after a short congratulatory speech read addresses to Cameron and Trenholm, presenting the former with a handsome gold watch and Trenholm with a purse of gold. When Cameron arose to reply, cheer after cheer echoed and re-echoed through the building, handkerchiefs were waved and the applause eclipsed any heard in Amherst. Cameron's reply was modest and manly. He thanked the people for the reception and gave Trenholm credit for the victory. Trenholm followed in a spiky way, gave details of race and reception in Boston. He stated that Cameron's reserve power has as yet never been tested. He did not know how fast and how far Cameron could run. He finished the Marathon as fresh as if it were a five mile race. Speeches were made by Mr. Avard, hon. president of the Ramblers; W. J. Logan and C. R. Smith, K. C.

The dramatic feature of the evening's proceedings was when Cameron's father was introduced to the audience. He had come from his home to meet his son and was accorded a great reception when he rose to thank the citizens upon his son. The meeting was bestowed upon his son. The meeting was brought to a close by singing God Save the King.

It is not saying too much to state that the home coming of Cameron was marked by the most spontaneous enthusiasm and the reception given to him was never paralleled in the history of the town. The citizens realized that Nova Scotia and Nova Scotia famous, had quite a reception on his arrival at Moncton. Mayor Kelly and a large number of citizens were at the station on the arrival of the train and the mayor extended a brief verbal welcome to which Cameron replied. When F. Cameron passed through here en route to his home he was given a reception at the Union depot by a large crowd of admirers. The young speed marvel who accompanied by his trainer, T. Trenholm, upon the arrival of the train, was carried to a large truck, where an address congratulating him upon his great victory was read by Mr. Frank White, president of the Y.M.C.A. Harriers, who also presented him on behalf of the club with a Harrier shield.

Cameron responded briefly thanking the Harriers for their warm reception. Discussing the race with the newspapermen he said:

"I feel fine. The race was strenuous, but I felt fine on reaching the tape. While I knew it was a big race, I was confident I would be among the leaders. Boston enthusiasts treated me royally and I desire to express my sincere appreciation for their kindness. Again I must thank my Amherst friends, also my trainer, Mr. Trenholm, and lastly the St. John people."

The Cameron march was then played by Piper Willet, after which the young runner and his trainer were taken for an automobile tour of the city.

WESTON ON BROADWAY.

New York, N. Y., April 26.—Mayor Gaynor himself a pedestrian of no mean ability, today granted permission for Weston to tramp triumphantly down Broadway with an escort of police when he arrives here the last of this week. It is expected that he will reach the upper part of the city late Friday afternoon, seventy five days after his start from Los Angeles, 2400 miles away, and fifteen days ahead of his schedule.

TIGERS GET THEIR PRIZES

**Winners in City League Receive
Pipes---Macaulay Bros. De-
feat J. M. Humphrey & Co.
in Commercial League.**

The members of the Tiger bowling team, champions of the City League, were presented with their well earned prizes in Black's Alleys last evening. The presentations were made by Mr. H. C. Olive, chairman of the bowling committee, who in a neat speech congratulated the winners upon their splendid showing throughout the season, which was responsible for their winning of the league. Brief speeches were made by each member of the team. The prizes consisted of handsome gold mounted pipes.

J. M. Humphrey's bowling quintette met their Blenheim on Black's Alleys last evening at the hands of Macaulay Bros. The dry goods men took every point and won the grand total by the enormous majority of 146 pins. With the exception of Gamblin, the losers rolled an amateurish game, while their opponents surprised the fans by their good work. The scores were:

WHAT ABOUT THREE TEAM LEAGUE?

There is every probability that there will be a three team league of semi-professional baseball in St. John this season. Manager Tilley, of the St. John team, has agreed to meet Manager Dunham, of the Franklins, on Thursday night and discuss the whole matter. Manager Dunham has a fast team in the Franklins and their presence in any local league would add considerably to the interest. It has not yet been decided where the meeting of the Franklins will be held, but it is expected that the baseball men will be able to receive the necessary tuning up.

THE BRITISH AVIATORS IN HARD LUCK

London, April 26.—An aerial Derby from London to Manchester is in prospect for Wednesday. Goth Graham White, who failed in his attempt last week, and Louis Paulhan, the French aviator, who has arrived here, are planning to start for the \$50,000 prize on that morning.

M. Paulhan gave official notice to the Aero Club today of his intention to attempt the 156 mile flight Wednesday, weather permitting. White is confident that the repairs to his machine will be completed in time to permit him to ascend simultaneously with the Frenchman.

Paulhan contemplated a continuous flight, though according to the rules of the contest two stops are allowed. Both men will use Farman biplanes. Misfortune continues to dog the aviators of the British army. The one which recently made such successful trial flights was caused by a gust of wind at Farnborough when it was taken out of its shed this afternoon and quickly turned turtle. The gas bags were torn to shreds and the framework smashed to bits.

The first race is scheduled for July 25, off House Island, Manchester.

JEFFRIES FEARS THE HOODOO.

Ben Lomond, Cal., April 26.—Whether or not Jack Johnson's former use of the hoodoo had anything to do with the matter, it is a fact that Jim Jeffries fought shy of the little ring recently installed at his training gymnasium, and it has been removed. The reason officially given for its passing is that it was not big enough for Jeffries' purpose, but the fact remains that from the moment the big fighter learned that Johnson trained in it for his fight with Flynn at Emeryville, he gave it a wide berth and expressed his preference for boxing in the handball court. With the uprooting of the old ring, one-half of the gymnasium has been roped off and the floor roined for a materially larger substitute arena. The new ring, which is bounded on three sides by walls, is about forty feet square. The floor will not be matted, it is said, and it is the belief of many that training on a hard floor will militate

Brookton, Mass., April 25.—"Joe" O'Brien, the Cambridge bantamweight, who boxed six rounds here Friday night with Max Landy, a Dorchester boxer, who was found dead in bed the following morning, was arrested in Boston late today and brought here this evening. He will be arraigned on a charge of manslaughter in the local police court tomorrow morning.

O'Brien, learning that a warrant had been issued in Brookton for arrest, went to Boston, accompanied by an attorney, and surrendered to the Boston police, who turned him over to Inspector J. F. Morey, of the Brookton force. Morey brought the boxer here, where he was released in \$4000 bonds, against Jeffries' speed when he meets his negro adversary. The big pugilist himself is not worried over the possibility, however. Morning boots thought, it is said, will be held as usual in the handball court.
