"I cannot say too much in favor of Peruna. About a year ago I was completely worn out, had a serious cold and a hard cough which seemed to be in danger of affecting my lungs. If my system had been in a stronger condition it would have been much easier to throw off this cold, but I could not seem to get any relief until I took Peruna, and I must say that it did the work thoroughly. Within a week I could see a wonderful improvement, and I took Peruna four weeks and am in perfect health now."
