

sent time there are many looking for strength from Him who never fails, and are thus enabled to approach the "Throne of Grace."

We trust that many of the congregation will become members, and although our title reads "Young People's Society," we sincerely hope all who can will join us, for many older christians have failed to make that effort which is so necessary to the development of the christian's life.

We now extend, on behalf of the society, a cordial invitation to all, and we shall be happy to have any visit us at our meetings, which are held in the Bible class room each Tuesday evening at 8 o'clock.

GIRLS' CLASS.

The Girls' Class being for the younger girls of the congregation has a membership of 24.

The object in meeting at a quarter past four every 2nd Wednesday afternoon is for the purpose of studying a portion of the Bible, engaging in prayer, singing praises and reading, all with the view of increasing their growth in spiritual life.

The meetings during the past year have been held under the direction of Mrs. Swartout and Mrs. Jack, to whom the girls are deeply indebted for their assistance and many acts of kindness.

In June last they held a parlor social at which a large number of fancy articles made by the members were sold, realizing \$26.37, which with \$2.42 collections from the members at their meetings make a total of \$28.79 received during the year. Of this \$5.00 was paid to the Auxiliary of the W. F. M. S., and \$5.00 for fuel, etc., for the poor, and \$1.37 expenses in connection with the social, making \$11.37 paid out, leaving a balance of \$17.42 on hand.

The class extend a cordial invitation to all the young girls of the church to attend and take part in their meetings.
