the date given all of the preliminaries will be completed. The umpire staff has been selected, and contracts now are being sent out. Its personnel will be made public in a few days.

"SHAG" SAYS DYE IS HIS. Frank Shaughnessy says that any donkey Babe Dye may make about having signed with Hamilton do not bother him, for he says that Dye's name is at the bottom of a contract and that is all that is necessary. Dye told the Toronto people that his playing here depended on what action the O.H.A. took towards his suspension, but now that he has signed a professional contract he is out of the jurisdiction of the hockey body for good.

It was the intention of the Hamilton club to stage an exhibition game on May 3, but owing to the fact that the three amateur league open their season on that date they will be given a clear field. Tom Nelson is also giving way to the amateurs at Brantford on that date, having cancelled an exhibition game, which he had arranged.

The railbirds will get their chance next week to look over Frank Shaughnessy's hirings.

Shag will be back from Wilmington on Friday, and will bring several players with him, but the majority of the squad will not report for training until Saturday or Monday.

In a letter to President Ballentine Shag says that he is meeting with considerable success on his trip.

Allan Cup Holders Will Stay in Hamilton.

Immediately following the close of the Hamilton hockey season several of the champion Tigers announced that they would move out soon and would be found in Toronto when the snow flies again. But they seem to have changed their minds.

Mickey Roach will play ball for the Dominion Steel team in the Hamilton City League as will Herb Reaume. Both are employed there. Tommy McCarthy hasn't yet decided which club to turn out with, but if he plays ball at all it will likely be with Roach. Joe Matte is still there and likely to be. So is Leo Reise, so "Shorty" Green and Bill Duman are the only members of the outfit who have left. And the belief is that Green at least will be here shortly to stay.

ENGLISH SOCCER TEAMS FOR GAMES IN CANADA

Tom Watson the former D.F.A., President was in Montreal and says he has Toronto financial backing to bring two first-class teams from the old country to tour Canada and that he may cross the Atlantic to make preliminary arrangements.

WASHINGTON 1; PHILADELPHIA 0.

Washington, April 23.—Washington and Philadelphia battled thirteen innings before a crowd of more than 15,000 in the opening game of the season here today. Washington winning one to nothing. The game was a pitching duel between Johnson and Perry.

Agnew, formerly of Boston Americans and making his first appearance with the local team, paved the way for the winning run in the thirteenth when he hit safely. Menosky, running for him, was advanced on Johnson's sacrifice and scored on successive singles by Judge and Foster.

ST. LOUIS DOWNED BY CHICAGO

St. Louis, April 23.—Pounding four pitchers for a total of 21 hits Chicago today opened the American League campaign with a 13 to 4 victory over St. Louis.

The usual flag-raising ceremonies preceded the game, and Col. George K. Hunter, Commandant at Jefferson Barracks tossed out the first ball.

Detroit, April 23.—Detroit v. Cleveland postponed; rain.

BOSTON OVERWHELM NEW YORK.

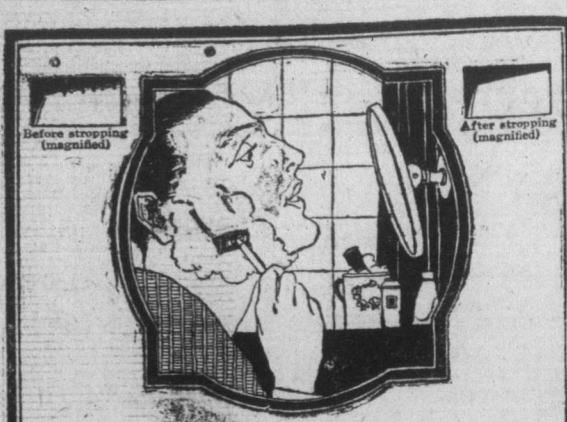

New York, April 23.—Before the biggest crowd that ever saw an American League opening in this city, the Boston world's champions defeated New York today by an overwhelming score of 10 to 0.

Ruth, Boston's sensational slugger, started the champions off to victory in the first inning, batting a home run with Hooper on base. There was an element of luck to the hit, as it took a high bound over Lewis' shoulder. Mo-gridge, pitched fairly well after that until the ninth, when Boston hit him a lead off field, which, aided by Peckinpaugh's errors, enabled them to pile up six runs.

Mays held New York at his mercy throughout the game, permitting only four hits and striking out eight. Schang hit three doubles and a single in five times.

New York Defeated Philadelphia. Philadelphia, April 23.—Philadelphia outbatted New York in the opening game today, but poor all-round work by Jacobs and Baird's errors gave the visitors the game 10 to 7. In the fourth inning, with the bases filled, Jacobs forced over a run by giving Burns a base on balls, then committed a balk, allowing another run to score. In the fifth Jacobs made three bases on a long drive, but was out for failing to touch second. New York hit safely in every inning. Kauff and Doyle lifting home runs over the right field wall. Barnes and McCarty; Jacobs and Adams.

A clean, sharp blade for every shave

If there's any pleasure to shaving, you get it in an AutoStop Razor. First, because there's always a sharp blade ready for use—a few turns on the stop brings it back to its professional keenness. Secondly, because there's no fussing with parts after shaving. And thirdly, because a simple adjustment makes it possible for you to shave as closely or as lightly as you wish.

From first to last, sharpening, shaving and cleaning; you never need to remove the blade from the razor. Is it any wonder, then, that thousands of men consider the AutoStop Razor the last word in shaving comfort and convenience?

The AutoStop is the only safety razor sold with an unconditional guarantee. Everywhere—complete with razor, stop and 12 blades for \$5.00.

CINCINNATI WIN OVER ST. LOUIS.

Cincinnati, April 23.—Wildness of St. Louis' left-hand pitchers, May and Sherdel, enabled Cincinnati to win the opening game of the season before more than 22,000 fans here today. May was exceedingly effective, but gave seven bases on balls. Sherdel relieved him in the seventh and walked four men in the eighth, forcing in two runs and putting the local team in the lead.

Meadows then went in and three more runs were scored on a hit by Neale and a wild pitch. Ruether pitched well except in the fourth, when he passed the first two men up. Luque and Eller did not allow a hit in the last two innings. Both teams played errorless ball, and there were four fast double plays.

BROOKLYN 6; BOSTON 1.

Boston, April 23.—The Brooklyn club made it three straight today by defeating Boston 6 to 1 at Braves' field. Boston was unable to hit Grimes when men were on bases. Fillingim pitched well for Boston, allowing Brooklyn but one run in the eight innings. He was taken out in the eighth to allow a pinch hitter to bat for him. Neff and Ragan, who worked in the ninth, were given ragged support and hit hard and Brooklyn

A Maxwell Grows Better the More You Drive It

THAT is the test of anything good. The more you use a good watch the better it runs. The older your friends grow the better you like them.

And nothing is more pat on a Maxwell than this.

Hardly a day goes by that some Maxwell owner doesn't take his pen in hand and write that he is now passing a mark of 30,000 miles or 20,000, or 50,000.

To purchase such a man's Maxwell from him would be like trying to buy an heirloom from a rich man.

But these Maxwells of today are far better cars than those of yesterday.

For it is the policy of the Maxwell Motor Company to keep on building and building on the original chassis plan set down 5 years ago.

300,000 Maxwells have been built on this program.

1000 refinements have been made since the first car was built.

Each new Maxwell is better than yesterday's.

For doing one thing always results in doing it well.

This Maxwell you see today is so vastly improved in appearance that you may think it a new model.

But it isn't. Just a better looking Maxwell. And a better car.

Unrest in Metal Trades Reported in Toronto

INVOLVES 6000 MEN AND 100 FIRMS

(Special to The Record)

TORONTO, April 25.—Unless negotiations are opened between the employers in the iron trades in Toronto and Metal Trades Council before May 1, the whole of the metal trades will call a general strike, which will involve over 6,000 mechanics and over 100 Toronto employers. The metal workers demand shorter hours and increased wages. This is the decision of the delegates to the metal trades council last night when the whole situation was discussed and the reply of the Toronto Employers Association, through Secretary J. G. Merriek, was presented to the meeting.

The dispute includes the pattern-makers, molders, machinists, boiler-makers, metal polishers and kindred trades in the iron industry. The delegates to the council last night decided to abide by the decision of the members in the metal

to cease work on May 1 if negotiations are not opened by the employers. The situation at present looks very much like a general strike of the metal trades on May 1. To-morrow night the boiler-makers meet to take the final steps in preparations. Next week the molders and machinists will do the same thing. The patternmakers and some of the others have already taken all the necessary steps. Several of the international officers of the various unions will be in town next week to aid in the final stages of preparation.
