Childrens Class at Next Poultry Show Returned Soldiers Given Setting of Eggs if Desired.

At a meeting of the Waterloo Poultry Association held on Thursday night a committee was appointed to wait on the members of the School Board for the purpose of getting their assistance to have the pupils at the Public School take more interest in the raising of better fowl. The Society have decided to have a contest at their next annual show for the pupils for which valuable prizes will be given. By this means it is hoped to instil more enthusiasm amongst the children with the result that a better education in the raising of fowl of the right kind will result. The Association also decided to donate to any of the returned soldiers a setting of eggs to start them on the way in the raising of chickens.

The condition of Edward Laekenbauer who was injured on Thursday evening by being run down by an auto on King Street, showed slight improvement this morning he having passed a fairly good night.

Sap has commenced to run and if the present weather continues, sugar making will be in full force in the course of a few days.

Mr. Howard Reed, son-in-law of Mr. and Mrs. Byron Bechtel arrived this morning on the 9:16 train. Mr. Reed enlisted in Regina over two years ago and for more than a year has been overseas. During this time, Mrs. Reed has been making her home with her parents. His arrival in Kitchener was rather unexpected he received a royal welcome, nevertheless. Mr. Reed will remain in Waterloo for sometime, he having not decided as to whether he will return West or not.

THE WEEKLY MARKET
The regular weekly market was held this morning and was attended by the usual large crowd. The supply of farm and garden produce, while large, was hardly equal to the demand. Butter was in anything but a little easier, prices ranging from 43 to 45 cents per lb. Eggs took a slight drop the ruling price being 38 cents per dozen. All other lines of produce sold at the normal prices.

When War came to Canada in 1914 the Imperial Order Daughters of the Empire, like ever other unit in the Empire, was totally unprepared for an emergency such as that which followed. To-day when peace is dawning after four and a half years of a struggle, the Imperial Order Daughters of the Empire is turning its eyes to the critical days which are certain to follow in the period of readjustment and is wisely preparing to meet any emergencies which may arise therefrom.

At the largely attended and most successful Annual Meeting of the Princess of Wales Chapter I.O.D.E. last Thursday, the 27th ult., the members proved that they are not only ready to bear their share of the work of re-constituting, but that they are prepared to continue to work in the same practical fashion in which they have labored so faithfully for nearly five years. To this end each member is already busy with her 'Talents' to raise funds, realizing that their War-work will not be ended till every Soldier now over seas has returned to Canada and obtained steady employment, so that he may be able to settle down to home life and renew his old friendships and associations with the Church and State.

Great Property Damage Done, Says Report from Liverpool to London; Canadian Headquarters says Five Killed and Two Injured; Many Under Arrest.

LONDON, March 7.—From eight to 27 persons are estimated to have been killed and from 25 to 73 wounded in rioting during the last three days at the Kimmel Park military camp at Rhyll, North Wales, according to a Liverpool dispatch received here tonight. Great property damage was caused the dispatch adds. A statement issued by the Canadian headquarters here admits 12 killed and 31 injured.

According to latest reports from Liverpool the riot was started by about 200 malcontents. There were 25,000 Canadians in the camp awaiting demobilization and embarkation. The men who aused trouble were far casualties who had served for three years or more in France. They complained that their embarkation had been postponed while other men who had seen less service were sent home.

After the destruction of stores of all kinds on Tuesday by the discontented men the situation took a more serious turn on Wednesday when the camp was called out, but was forbidden to use its arms.

Troops from Chester intercepted the rioters in their march upon Abergele near Rhyll, and also prevented a threatened raid on the latter place. Five men were killed and 40 injured in the course of the fighting it is reported.

There was further riotous shooting early on Thursday morning, but at no time was there organized firing by any armed party. Most of the deaths were due to crushing it is said.

An unnamed major, holding the Victoria Cross and believed to be from New Brunswick, is reported to have been brutally trampled to death while attempting to defend the officers' quarters against great odds. Another report denies that a major was killed.

The Daily Mail says that the Canadian authorities restored order without the assistance of British troops, and declares that the mutiny is solely for Canadian disciplinary action.

Inspector Found Contaminated As the result of the activities of Inspector J. Winterhalt two ten-gallon cases of liquor were seized. The contamination was in the form of two apple barrels inside of which the two cases in excelsior were found. The words of the address were "The Talking Machine Co., Breslau." The shipment was found at the offices of the Canadian Express Company at the G.T.R. station. The Inspector has laid a charge against the parties, whose name he considers fictitious. The liquor will probably be seized.

Funeral of Young Man Held Today

All that was mortal of Mr. Rubeen Wunnenberg, who died at the Brantford sanitarium, was laid away this morning, service being held at the St. Mary's Church and interment taking place in Mount Hope Cemetery. Numerous friends were in attendance to pay their last respects to the young man.

Owing to a misunderstanding the date of the funeral was not published, as a result many other friends did not know the same and were not in attendance.

Grain Speculators Make Demands

WANT ALL RESTRICTIONS ON TRADING REMOVED
Montreal March 7.—A meeting was held this afternoon at which there were present representatives of the Winnipeg, Fort William, Toronto and Montreal grain exchanges. The meeting represented the largest interests of the grain trade next year, particularly as to the desired removal of all Government restrictions on grain trade and prices both in Canada and abroad.

The meeting was private but at the conclusion it was stated that the general opinion of those present was that

WIVES AND MOTHERS NEED NOT HAVE SORE BACKACHES

Constantly on their feet, attending to the wants of a large and exacting family, women often break down with nervous exhaustion.

In the stores, factories, and on a farm are weak, ailing women, dragged down with torturing backache and bearing down pains.

Such suffering isn't natural but it's dangerous, because due to diseased kidneys.

The dizziness, insomnia, and other symptoms of kidney complaint can't cure themselves, they require the assistance of Dr. Hamilton's Pills which go direct to the seat of the trouble.

To give vitality and power to the kidneys, to lend aid to the bladder and liver, to free the blood of poisons, probably there is no remedy so successful as Dr. Hamilton's Pills. For all womanly irregularities their merit is well known.

Because of their mild soothing and healing effect, Dr. Hamilton's Pills are safe, and are recommended for girls and women of all ages, 25 cents per box at all dealers. Refuse any substitute for Dr. Hamilton's Pills of Mandrake and Butternut.

Doesn't hurt a bit! Drop a little Frezzone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! No humbug! A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Frezzone is the sensational discovery of a Cincinnati genius. It is wonderful.

COULD HARDLY WALK
Mrs. J. McDonald, Jr., Hay, Ont. says: "Some years ago I suffered greatly from anaemia and as I did not realize the seriousness of the trouble I soon became a complete wreck. I got so weak I could hardly walk. I neither ate nor slept well, and could not go upstairs without stopping to rest. At times I had an almost unbearable pain in my back and would have to remain in bed. I suffered almost constantly from a dull headache and when sweeping if I would stoop to pick up anything I would get so dizzy that I would have to catch hold of something to keep from falling. My eyes were sunken and my hands and limbs would be swollen in the morning. I tried several kinds of medicine without benefit and my friends thought I would not recover. Then I began taking Dr. Williams' Pink Pills and before long could see and feel that they were helping me. I gladly continued the use of the pills until I was completely cured and I cannot say enough in their praise, and I strongly recommend them to all run-down girls and women."

SOME GOOD ADVICE
Mrs. Alice Black, Amherst Beach, N.S., says: "I have received much benefit from the use of Dr. Williams' Pink Pills and would advise all who need a medicine for a run down system to make use of them. In my own case I have found the pills do all you claim for them, and shall always have a good word to say for this medicine!"
