Rev. Dr. Gates preaches at Bridgetown on Sunday next.

In spite of war conditions it is said that there will be more building throughout the county this year than usual.

Miss Vesta Pick has resigned the position of librarian at the College and her place will be filled by Mrs. Ingraham, late of the Seminary teaching staff.

The merchants have decided to close their places of business every Wednesday afternoon during June, July, August and September in order to promote patriotic planting and production.

Wolfville lost another valued citizen on Monday, when the death occurred of Mr. S. Percy Benjamin, youngest son of the late S. P. Benjamin. Mr. Benjamin was 35 years of age. He had for a long time been ill of tuberculosis and put up a brave fight. He is survived by his mother and two sisters, a widow and two children. The funeral was held on Wednesday afternoon, the interment being in Willow Bank.

At the Methodist church on Sunday morning next the service will take the form of a review service, reviewing the work of this church in the past year. In the evening a service of unusual interest will be held, when Mrs. Chittick, of Canso, will give an address. Mrs. Chittick is the President of the Nova Scotia Auxiliary of the Women's Missionary Society of the Methodist church and is a lady of great ability and very effective as a platform speaker. The service will be in charge of the local branch of this society. A hearty welcome is extended to all.

An interesting event, in which Wolfville people are interested, took place at the Baptist church at Berwick on Tuesday afternoon, when Miss Nellie Erdine Hiley became the bride of Mr. Lewis Leander Bishop, of Seaman's, Sask., formerly of Wolfville, a daughter, Miss Nina Burpee Hiley, was united to Mr. George Henry Marie Magee, of Somerset. After a short wedding trip Mr. and Mrs. Bishop will leave for their home in Saskatchewan, and Mr. and Mrs. Magee will take up their residence in Somerset. THE ACADIAN extends congratulations.

Minutes of Alumnae Association.

The Annual Business Meeting and Social Reunion of the Alumnae Association of Acadia Seminary were held in Alumnae Hall, Monday evening, May 25th, at eight o'clock.

The chair was taken by the President, Mrs. R. V. Miller. The meeting was opened by prayer by Mrs. Martell. The minutes of the last annual business meeting were read and approved. The report read by Assistant Treasurer was adopted. The chairman of the Executive gave a report of the work of the Committee during the past year.

The officers for the ensuing year were elected as follows:  
Pres.—Mrs. V. L. Miller, Halifax.  
1st Vice Pres.—Mrs. F. H. Beale and Vice Pres.—Mrs. C. M. Vaughan.  
Asst. Treas.—Mrs. Donald Grant Sec.—Mrs. Herbert Johnson. (Wolfville)

Executive Committee—Mrs. J. W. Manning, chairwoman; Mrs. H. T. De Wolfe, Mrs. Rupert Harris, Mrs. M. R. Elliot, Miss Adella Jackson, Miss Mary Black and Miss Evelyn Smallman.  
Entertainment Committee—Mrs. E. H. Saunders, Mrs. J. E. Hales and Mrs. E. H. Johnson.

It was moved by Mrs. Manning and seconded by Mrs. Martell that a resolution of sympathy be extended to all members bereaved during the past year.

The following excellent program was then presented:

Violin Solo, Miss Badie; accompanist, Miss Gray.

Vocal Solo, Miss V. L. Miller.  
Vocal Solo, Miss Bailey; accompanist, Miss Brown.

Reading, Miss Gains.  
Literary paper, Mrs. Ingram.

The Alumnae were most grateful to the members of the Faculty, who so willingly assisted in making this program most enjoyable.

Brief addresses were given by Mrs. J. W. Manning and Miss Blackader, who celebrate, this year, the fifty-fifth anniversary of their graduation, and by Mrs. Hardy, missionary on furlough.

References was made to several graduates and former students who are serving King and country as nurses—two of whom have made the supreme sacrifice to the cause.

An informal social hour was then spent in greeting old friends and meeting our guests, the Faculty of the Seminary and the Graduating Class of 1917.

Light refreshments were served by the Entertainment Committee.

Realizing the burdens of sorrow borne by many of our members at this time, our thoughts and words were often of sympathy for them; yet all present felt that the reunion of 1917 was to be remembered as one of the pleasant events at old Acadia.

HELEN S. JOHNSON, Secretary.

### Port Williams.

Last Sunday the people of this village enjoyed the novelty of listening to a lady preacher. Rev. Mrs. Beckner, of Wolfville, preached in the Diocesan church in the morning and in the Baptist church in the evening to a large audience. She was indeed much enjoyed. The choir at the evening service rendered a choice selection of music. Our village ought to be proud of the Baptist choir. Strangers speak highly of it.

Miss Irene Gates, who is attending business college at Halifax, spent the week end at her home here.

Our school children are progressing splendidly in the different lines of the school exhibition work they are taking up. Their teachers are very painstaking in teaching them. We understand the two teachers for next year are selected. The two present teachers have been with us two years and deserve much praise for their work.

We hope to see every available spot and garden in our village well filled with vegetable seeds, for the benefit of all. It means a lot this year.

Our bustling and very much alive Women's Institute is looking forward to a helpful time at their next meeting when Mrs. Burpee Bishop, of

Greenwich, is expected to address them (by request of the society) on home canning, a very profitable subject these days.

Miss Harriet Rand and brother, of Canning, were guests of Mr. and Mrs. Aubrey Rand on Sunday.

Much sympathy is felt for Mr. O. H. Gates on account of the serious accident to one of his driving horses. About two weeks ago an automobile ran into the team one evening in the town of Wolfville, breaking parts of the wagon and cutting the horse badly on the breast. Dr. G. E. DeWitt kindly looked after it and did all that could be done, then phoned to Mr. Gates telling him the condition of the animal. They decided to leave it quiet where it was for the night. (The accident occurred near the stables on Main street.) Mr. Gates went for it the next day but it is in a critical state. A veterinary surgeon was on hand as soon as Mr. Gates could get him after bringing the horse home to his barn. The driver of the auto is not known and was not man enough to even halt to see the amount of mischief he had done by his carelessness. Where is all this talked off automobile law—so many accidents lately. Kentville is beginning to wake up and get onto the job on autos.

Auto livery, A. C. Cox, phone 130.

Brent Eagles, of Wolfville, is one of the best known all-round athletes in Nova Scotia, having made a big reputation for himself in college circles. He first sprang into prominence as a hockey, football and baseball player at Wolfville Academy and was one of the best players on the team. The authorities at Acadia College induced Brent to enter that college. Brent made a big reputation while at Acadia, especially on the football and hockey teams. He was considered one of the best college athletes in Nova Scotia. He also figured prominently on the Wolfville town baseball and hockey teams and was a member of the champions of the Western Hockey League a few years ago, and was the star pitcher of the ball club which defeated the Quincy, Mass., and several other teams. Brent enlisted in a Highland battalion last spring and figured on the 83rd hockey team of the local city league and played in great form. He also played with the 219th base-ball team and pitched in fine form. Brent is now somewhere in France.—Halifax Evening Mail.

## Has Nothing to Hide

Now that the Government has absolutely prohibited the use of any artificial coloring matter in sugar, we tell you again that we have  
—never used Beets  
—never used Ultramarine Blue  
—never used Aniline Dyes  
—never used Vegetable Dyes  
in refining any of our sugars. This means that every pound in the hands of your grocer is pure and uncolored. So—why take chances? Why not insist on having Lantic—the Sugars that have always been pure, and cost no more than any other?
