We have removed our office from 147 Bannatyne Street to our new offices at our plant at Louise Bridge.

We thank all our customers for their patronage during the past year and can state with confidence that now our business is all centred at one point, we are in a much better position to serve our patrons than ever before.

Our stock of Hams, Bacon and Lard, are, if anything, finer than ever and no dearer than others.

We have lots of unfilled orders for choice Dairy Butter and Fresh Eggs, and we can handle all the Dressed Hogs and Poultry you can ship. Write or wire your orders. Correspondence solicited.
