The... Silver Truss

Is a new invention, new in principle, new in design, new in application, and the most perfect known.

The great success of this Truss in holding with comfort all kinds of Hernia, whether adults, youths, or infants, all over Canada, the United States or Europe, is phenomenal. They have been adopted by leading hospitals, surgeons and rupture specialists of the United States, and by Westminster and Guy's hospitals, London, Eng. No greater recommendation could be accorded any appliance than its adoption by the physicians and surgeons comprising the staffs of these hospitals, which rank among the largest and best in the world.

We also manufacture Elastic Bandages, Abdominal Supporters and Umbilical Trusses.
