attempt anything which might mean a duplication of work already successfully prosecuted.

I note what you say in your letter as to the willingness of your Committee to make recommendations to the Foundation respecting the subject with which you have been appointed to deal. Needless to say, any recommendations you may have to make will be gladly accepted and most carefully considered; but more than this it is not possible for me to promise at the present time.

Yours very truly,

W. L. MACKENZIE KING
