

the <sup>(6)</sup>week end before coming  
up here and saw the  
three young Macs and  
was fearful lest they  
name one of those little  
brown pups after me.  
The Wilborns have gone  
down to New Mexico  
in a private car taking  
with them the Hodges.  
I suppose on some sort  
of an inspection tour.  
I can well see how  
the coming election will  
be tremendously interesting

Forest clad mts, with the  
snowy peaks for a back-  
ground, and a lovely  
meadow valley below.  
I have no doubt but that  
you are in an equally  
beautiful spot, and that  
you have already made  
yourself solid in the  
Community, politically.  
What has become of Mc-  
Gregor? I went out to  
the Wilborn place for
