Toronto, Ont.

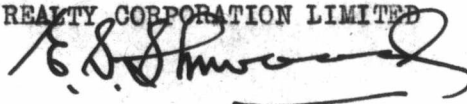

Dear Mr. Meighen:-

Referring to our conversation of a few days ago wherein you were kind enough to say that you would look into the matter of the office of the Hydro Electric Power Commission of Ontario, at present located in the Central Chambers, Ottawa, to see if an arrangement could not be made to have them move to the Victoria Building, property of this company, located at the corner of Wellington and O'Connor Streets and as you probably know, this building is fireproof and modern in every respect whereas the building they are in is about forty years old, non-fireproof, etc.

I really believe that if the officials here would indicate to us what space they require we could offer a proposition taking everything into consideration that would be of a permanent nature and more attractive than the present location and I wish to thank you in anticipation for anything you can do in this respect.

Yours faithfully,

VICTORIA REALTY CORPORATION LIMITED

SECRETARY-TREASURER.
