

22 September 6

Sir

I have copied a letter from the
Agent of the Committee of Charities
at Quebec dated 16th instant
in regard to Mr Robertson and have
submitted it to the Department
and have to request that you will
ask again the Person who was sent
by the Department to Quebec for
the purpose of securing payment of
charges incurred from Mr Robertson
to furnish an explanation as to how
he came to accept Mr Robert's Remittance
as security for Mr Robertson's indebtedness
as it appears Remittance was at that time
indisposed without means and merely
a clerk in the employ of Mr Robertson.

Very
Respectfully
Yours
