

93200 C.R.

OTTAWA, 2nd April, 1902

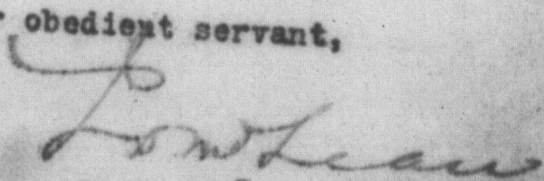

Madam,

In reply to your letter of the 24th ulto. calling attention to an appeal from Archdeacon Holmes which appeared in the January number of the Letter Leaflet for bedsteads for the use of the Church of England boarding school at Lesser Slave Lake, I beg to say that the Department regrets that it has no funds available to supply these articles as the money provided does not admit of the purchase of equipment for such schools.

I may add that even if your Society is able to procure the bedsteads the Department cannot assume the responsibility of paying the freight charges for their delivery.

The Department would be glad to become a subscriber to the Letter Leaflet which is not regularly received. Kindly forward the account in duplicate.

Your obedient servant,

Secretary
