Sir,

In view of the report in your letter of the 12th instant, I beg to say that an iron cross-bar, with a turn buckle in the centre, such as mentioned, may be procured for the new church at American Bar Reserve, in order to prevent the building from spreading. The cost should not exceed \$10.00.

Your obedient servant,

Assistant Deputy and Secretary.

H. Graham, Esq.,  
Indian Agent,
