Arthur King, Esq.,  
76 Eglinton Ave. E.,  
Toronto, Ont.

My dear Arthur:

I thank you and Kathleen most warmly for your charming little letter just received. I know how you will feel about dear little Pat. He was very much attached to both of you and I want you to know that I am sharing your feelings over his loss. Naturally I feel his loss very much but would not, on any account, have missed the close association we shared so intimately together during the last few weeks.

I hope I shall get a glimpse of you and Kathleen when I am up at the Exhibition. I shall probably be too busy to have a chance to see you at your home as I have three meetings on Friday to address. On Saturday morning, the dentist, and, in the afternoon, a garden party which the Lieutenant Governor the Honourable Ray Lawson is giving at his home in the country. I am asking him to have an invitation send to you and Kathleen in case you should be free and find it possible to be present.

I wonder if you remember the time that you and Lyon were with me at the opening of an Exhibition the last time I was there? I think that was just twenty years ago.

I am glad you had so happy a vacation.

How are the vitamins holding out?
