

- Pyoktannin 115
 Pyrexia, post-operative 187
- R**
- Ransohoff's operation for umbilical hernia 309
 Resection, results from 213
 Respiration, artificial, in treatment of shock 150
 Reverdin's operation for umbilical hernia 313
 Richter's hernia 349
- S**
- Sac, contents of 10
 pathologic conditions of 166
 removal of in radical cure 204
 varieties of hernial 9
 Sal-alembroth 114
 Sapremia 89, 188
 Schwartz's operation for femoral hernia 303
 operation for inguinal hernia 249
 Scrotum, abscess of 197
 Septicemia 187, 188
 treatment of 188
 Service staff in hospital 57
 Shock, complicating herniotomy 149
 in peritonitis 178
 latent or delayed 153
 treatment of 153
 Silk, as suture material 51
 Silkworm gut, preparation of 50
 Silver nitrate 115
 Skin, diseases of following herniotomy 164
 Smith's operation for inguinal hernia 259
 Socin's operation for femoral hernia 300
 Spirilla, varieties of 85
 Sponges, use of 54
 Sprengel's operation for femoral hernia 303
 Steam, sterilization by 101
 Sterilization, methods of 100
 Stinson's operation for inguinal hernia 245
 Suppuration and bacteria 86
 in wound following herniotomy 32
 Surgery, aseptic 83
 Suture, Davison's removable continuous 274
 Eastman's single tier 277
 Gratschhoff's removable continuous 277
 Harris wire 270
 material, varieties and preparation of 45
 McArthur's autoplastic 269
 Park's autoplastic 238
 removal of 142
 Witherbee's removable 274
 Symonds' operation for inguinal hernia 254
 Seminal vesicles, hernia of 25
 Sex, influence of on herniotomy 34
 Syphilis and herniotomy 37
- T**
- Temperature, changes in during herniotomy 158
 in peritonitis 178
 Tendon, obliteration of conjoined 197
 Tendons, preparation of 49
 Terrier's operation for umbilical hernia 313
 Testes, atrophy of 197, 198
 atrophy of following herniotomy 171
 sarcoma of 197
 undescended in hernia 197
 Thread, celluloid, as suture material 51
 linen, as suture material 51
 Thrombophlebitis of accessory veins of cord complicating hernia 339
 Torek's operation for inguinal hernia 254
 Treves' operation for inguinal hernia 259
 Tuberculosis and herniotomy 34
 Tympanites, death from 160
 enterostomy for 163
 post-operative 160
 treatment of 163
 Tympany in peritonitis 178
- U**
- Uterus, hernia of 29
 hernia of non-gravid 25
 hernia of pregnant 25
 subperitoneal fibroma of causing hernia of bladder 19
- V**
- Vaginocele 29
 Vomiting, complicating herniotomy 158
 gastric lavage for 159
 in peritonitis 178
 treatment of post-operative 159
- W**
- Warren's operation for umbilical hernia 309
 Weight, reduction of before herniotomy 313
 White's operation for inguinal hernia 259
 Winslow's operation for umbilical hernia 309
 Wire, as suture material 49
 silver, in inguinal canal 278
 Woelfler's method, results from 202
 operation for inguinal hernia 249
 Wound, emphysema of 197
 protection of from injury 141
 Wounds, closure of 134
 healing of aseptic 146
 infection of 90, 147
 secondary secretion in 146
 sources of infection of 90
 treatment of 146
 treatment of infected 147
 Wullstein's operation for inguinal hernia 241
