

In the years 1903 and 1908, the value of forest products shipped from Montreal was as follows:

|                          | 1903.        | 1908.       |
|--------------------------|--------------|-------------|
| Pine deals . . . . .     | \$3,117,150  | \$4,174,976 |
| Spruce and other deals.  | 684,070      | 283,751     |
| Planks and boards . . .  | 650,008      | 909,235     |
| Pulpwood . . . . .       | 131,452      | 213,503     |
| Other products . . . . . | 509,092      | 440,569     |
| Total . . . . .          | \$ 5,121,472 | \$3,322,034 |

From Quebec the value was:

|                          | 1903.       | 1908.       |
|--------------------------|-------------|-------------|
| Pine deals . . . . .     | \$ 122,960  | \$ 11,124   |
| Spruce and other deals.  | 1,270,325   | 938,128     |
| Planks and boards . . .  | 68,539      | 140,521     |
| Squared white pine . . . | 1,297,427   | 985,501     |
| Squared red pine . . . . | 212,631     | 6,047       |
| Squared oak . . . . .    | 411,313     | 155,283     |
| Squared chur . . . . .   | 296,496     | 125,914     |
| Other products . . . . . | 392,652     | 339,239     |
| Total . . . . .          | \$4,072,346 | \$2,701,787 |

For 1903 and 1908 the following quantities of deals, boards, &c., were exported from St. Lawrence ports for the trans-Atlantic markets:

|                | Ft. B.M.    |
|----------------|-------------|
| 1903 . . . . . | 445,341,600 |
| 1908 . . . . . | 229,649,000 |

It is scarcely necessary to state that part of the lumber and timber exported from these ports comes from the province of Ontario.
