THE PATTERSON & BRO. COS., FACTORY.

---

THE PATTERSON & BRO. COS., FACTORY, is located in Woodstock, Ont., and is one of the largest and finest in Canada. The flooring measures over three and a half acres, the buildings are erected of stone and white brick. The machinery for manufacturing their Implements is of the latest and most improved style. The shipping facilities are good, as they have a track running into the yard on which they can load Grand Trunk and Canadian Pacific Cars. The number of men employed are between three and four hundred, and in the busy time of the year they have to work night and day in order to meet the great demand for their Implements, their light all steel framed Binder, the five Rake Reaper, Patterson Tigar Rake, and New Buckeye Mower, are taking the lead all through the Dominion, and for Plows the variety and quality cannot be surpassed.

W. B. Robertson & Co., Charlottetown, represent this firm in Prince Edward Island.
