SECRETARY'S REPORT.

The Auxiliary held nine regular meetings on the second Tuesday of each month, in the Board room, at three o'clock p.m. They held one public meeting and four missionary meetings. The meetings have been well attended—average attendance, twenty—and an increased interest pervades the Society. During the winter, we had the pleasure of listening to very interesting addresses from Mrs. Ross, President of the Eastern Branch; also Mrs. State, M.D., a returned missionary from India, and Mrs. Ross, Lady Principal of the French Institute of Montreal. The Society have sent a box of clothing and fancy articles to Port Simpson Hospital Bazaar, in value amounting to \$13.47.

The membership of the Society is sixty-four.
