The Secret of Successful Salesmanship

If the salesman has unlimited confidence in the Company he represents and in the goods he is offering, it will not take long to communicate that confidence to the Prospect. And this applies to Life Insurance more than to any other article. Agents of the Mutual Life of Canada meet with extraordinary success for that simple reason—they devoutly believe in Life Insurance and above all in "Mutual" Life Insurance. The Mutual Life has been conducted for fifty years exclusively in the interests of its Policyholders. The result is an unprecedented demand to-day for Mutual Life Policies. With the Mutual the "Secret of Successful Salesmanship" is simplicity itself. The Agent knows that he has the Company and the Policy that the Prospect needs. The rest soon follows.
