BRIEFS.

The editing committee would be pleased to receive matter from any of the resident ministers.

The Young Men's Christian Association of our city held a very successful opening service, somewhere in the neighborhood of six thousand dollars being subscribed, and their friends are aroused to such an extent that subscriptions are continually coming in from all quarters.

Of the 6,436 congregations that compose the American Presbyterian Church, no less than 1,201 are reported as vacant.

Don't forget obedience is not picking out a few things we want to do, but marching right ahead and doing what is right, whether we want to or not.

A party of eighteen missionaries left New York to join Bishop Taylor's African Mission on October 1st, and \$17,000 is needed for the expenses of the party until their establishment in Africa.

Arrangements are being made for a grand national conference of the Free Christian churches, to be held in Leeds in April, 1888. The conference will be mainly Unitarian, but it represents also Universalists and others of the so-called free churches of England
