Prof. Jas. Fletcher, Dominion Entomologist, at Ontario Fruit Growers' Meeting at Waterloo, Dec. 15th and 16th, 1897, said:

"In buying a cheap spraying pump you make a great deal of bad temper, and use a great deal of bad language, and not save, as you intended, a percentage of your crops. Now, there are a great many spray pumps, and there is only one shown here (the SPRAMOTOR of London), and I will say it is a good pump. You will do better to pay an extra dollar or two, that is charged for the bearings that are subject to the influence of copper mixtures, to have those of brass, because it is a small initial cost, but a very great improvement and a saving in the life of the pump, sometimes of three or four years."

FRUITLAND, April 21, '98.

W. H. HEARD, ESQ., MANAGER SPRAMOTOR CO., LONDON, ONT.:

Dear Sir: Your favor of yesterday just received. Am glad to learn that the fourteen pumps ordered for Provincial Experimental Spraying have gone forward so promptly. Please ship me a No. 2 outfit, complete, for my own use.

Yours truly,
W. M. ORR.

GOSSIP.

The English Royal Show will be held at Birmingham, June 18th to 24th.

Mr. Jas. Tolton, Bruce Co., Ont., writes: "Am much pleased with the FARMER'S ADVOCATE. Think you are steadily improving it, and nearly all the articles published are first-class."

R. R. Sangster, Lancaster, Ont., when sending copy for advertisement, writes under date of May 19th: "I sold in April six fine young cows to W. O. Edwards & Co., Rockland, four to be retained in his own herd, and two for a neighbor. Three of them were Minas (by Royal Gloster, and in calf to Safeguard)—fine, thick cattle; and one from the Imp. cow, Mayflower 10th; the other two were by King of Wales, of the fine old Tyme family. And have had tempting offers for others, but cannot sell more females just now. I still have ten females just now, headed by the fine two-year-old bull Safeguard, bred by W. O. Edwards, got by Knight of St. John (Imp.), dam Sittytton Verona (Imp.). He is a grand, low-set, thick, lengthy, red bull. I wish the ADVOCATE success."

MONEYPUFFER LAD AND NOMINEE CHANGE HANDS.

Captain T. E. Robson, Ilderton, Ont., has sold and shipped to H. F. Brown, Minneapolis, Minn., the Shorthorn bull Nominee, winner of first prize and sweepstakes and head of first prize herd at Toronto and Ottawa, 1897, and has purchased and placed at the head of his own herd the roan four-year-old bull Moneypuffer Lad, winner of the championship prize as best bull of the breed, any age, at Toronto in 1895 and 1896, and at London in 1897. Moneypuffer Lad has been an outstanding figure in the Shorthorn field in Canada. He is full of constitutional vigor, has true lines of conformation, and the quality of flesh and hair which once handled is never forgotten, because it fills the bill to satisfaction.
