

Underwood

In the Typewriting speed contest held at Boston on March 30, the Underwood won the trophy for the Championship of the World.

It has retained this distinction in eight successive contests. It has proved adequately its claim to being "the world's best typewriter."

WORKMEN'S RIGHTS

In Canada a workman may proceed against his employer under the Workman's Compensation for Injuries Act, and at common law. That means untold annoyance and inconvenience to an employer. An employer is even liable for damages to an employee for injury resulting from the negligence of a fellow employee. Oft-times a workman will get back at an employer in this way. The employee may or may not win. Whether he does or not it means a great deal of anxiety to you as an employer. Let us relieve you of all this. Our liability policies are designed to do this very thing.

Will be glad to explain our plan.
