THE DORENWEND

Electric Belt and Attachments.

The Dorenwend is the only legitimate Electric Belt made, which fulfils the requirements of Electro-medical science. It is a complete Body Battery, it has an independent battery which generates a mild continuous current of Electricity (without shocks) and can be regulated to suit the strongest man or weakest child. It is a successful treatment for Indigestion, Rheumatism, Neuralgia, Sciatica, Lumbago, Liver and Kidney Troubles, Weak Back, Spinal Disease, Heart Troubles, Nervous Debility, Paralysis, Vertigo, Female Complaints, Impotence, Sertual Decline, and all diseases of the Nervous and Muscular Systems. Remember that the Dorenwend Belt is the very latest; it was invented by a competent electrician and ranks as the best in the world. We defy any one to bring proof to the contrary. Do not class this belt with the humbug combination of leather and metal with which the country is being flooded. If you wish to experiment with cheap, useless articles, buy them, but if you want to procure a genuine electric belt and one that will be of benefit, get a Dorenwend Belt. Send name and address for illustrated book on Home Electro-Medical Treatment, and mention this paper.
