To do their Christmas shopping should take time to have their dental work done. Winnipeg has the largest, best-equipped and most up-to-date Dental Office in the West, and it doesn't cost you anything to see that office and get any information you require in reference to your teeth. If you are satisfied with the estimate given you and the quality of the samples of work made in that office you will never have a better opportunity than right now.

Teeth extracted painlessly by the famous Somnoform method, new ones inserted without a plate, which last a lifetime, will not move during mastication and guaranteed to be as satisfactory as your natural teeth or if preferred plates with real porcelain gums, which are as natural and lifelike in appearance as your own, and, above all, plates that FIT.

Tubular Cream Separators

Which shows how very different Tubulars are from all others.

You see, Dairy Tubulars contain no disks to wash, rust and wear. Twice the skimming force of others. Skim faster and twice as clean. Repeatedly paying for themselves by saving what others lose.

This is why other separators are being rapidly discarded for Tubulars.

For your own sake, ask the oldest separator concern on this continent for catalogue No. 342, fully describing the modern separator—the simple Tubular which wears a lifetime. Guaranteed forever.

WINNIPEG HAS SINGLE TAX COUNCIL

Winnipeg civic elections were held on Friday last and Richard D. Waugh was elected mayor by a majority of 1,064 over F. W. Adams. The controllers elected were J. W. Cockburn, J. G. Harvey, A. A. McArthur and W. G. Douglas, and the aldermen A. L. Bond, F. O. Fowler, Geo. R. Crowe, J. J. Wallace, F. H. Davidson, Thos. Stefunck, R. J. Shore and Chas. Midwinter. Prior to the elections all the successful candidates announced themselves in favor of a reduction of taxation on buildings and improvements, and with exceptions declared for the single tax.

School children know a great deal more than they used to do. In fact, some of them, in their own opinions, at least, are quite capable of tutoring their tutors.

"Those kiddies I teach are as knowing as an encyclopaedia!" said an English teacher a week or two ago.

"In what way?" asked his friend.

"Well," replied the scholastic person, "the other day I set a problem in arithmetic:

"A rich man dies and leaves £1,000,000. One-fifth is to go to his wife, one-fifth to his son, one-eighth to his brother, and the rest to the hospitals. What does each get?"

"Yes?" queried the friend, not very interested.

"Back came the reply from the smallest boy in the class:

"A lawyer, sir!"
