

Fighting for Principle

The world admires an institution that never flinches from opposition. Organized farmers are courageously grappling with their many difficulties

"Clear Grit" always commands respect. It is that quality which achieves, and everybody admires achievement. In the strife of parties and principles, backbone coupled with brains will always win out. No remonstrance or opposition, however strong, can swerve the organized farmers from their purpose--to give Canada a great free journal with weight, character, individuality and independence.

If you have not yet sent in your renewal, do so today, and try to obtain for us at

least one new reader. Every helper counts in this our great fight of right versus might.

Have you caught the noble vision
That is prompting this campaign?
For a square deal make provision,
And our own uplift sustain.
If you've made this grand decision
Then our fight is not in vain
for
Two hundred thousand strong!

Cheering thought for our reflection
In our fight against subjection
Comrades of our own selection
Two hundred thousand strong!
