FREE Registered Marquis Wheat \$500

More farmers are realizing every day that the best seed is the cheapest and most profitable to sow; not only is the yield greater but the grade is better and the price, therefore, higher. High class seed is a money making proposition.

PURE REGISTERED SEED is seed that has been grown under the rules and regulations of the Canadian Seed Growers' Association. Under these rules the growing crop is inspected, and after threshing the seed is cleaned, re-cleaned and the grain inspected as it is being put into the sacks. If it passes this final inspection the sacks are sealed by the inspector with the official seal of the association. Registered seed is absolutely pure in variety, contains no admixtures of any other grain and is absolutely free from noxious weed seeds; it is plump, free from frost and must germinate 95 per cent. This is the kind of seed The Guide is giving away to its readers, and in order to encourage those who secure this pure seed to produce the best results from it, The Grain Growers' Grain Company is donating \$500.00 in cash prizes which will be awarded at a seed fair which The Guide will hold in November, 1917. The Guide is offering Marquis or Fife wheat, and Victory or Banner oats, put up in twenty-pound sacks, and G.A.C. 21 barley, put up in twenty-four pound sacks.

Any person who will collect two subscriptions to The Guide, new or renewal at \$1.50 each and forward the \$3.00 to The Guide office, will receive free of charge one sack of either variety of wheat, oats or barley. To any person who earns three sacks of grain The Guide will donate a fourth sack free of charge; this means that six subscriptions will entitle you to four sacks of grain. Any person may earn as many of these sacks as they desire. It may be that some two-year subscriptions at \$3.00 can be collected, such subscriptions will count the same as two one-year subscriptions at \$1.50. All seed will be shipped in plenty of time for seeding and the winners will be provided with instructions for taking care of it and will also be assisted to become members of the Canadian Seed Growers' Association.

\$500 in Cash Prizes

The Guide will hold a seed fair in Winnipeg in November, 1917, at which any person who earns one or more sacks of The Guide's pure seed will be entitled to enter. Each competitor must send one-half bushel either of wheat, oats or barley grown from The Guide's pure seed, and a small sheaf of the same grain.

IMPORTANT

If you want to start in producing the best wheat, oats and barley grown in the world, collect one subscription to The Guide and mail it at once, together with the coupon on this page. Full supplies will then be sent to you for taking subscriptions and you may earn as much of this seed as you would like to have, while the supply lasts. Owing to the limit in quantity, however, we have decided not to accept any more reservations unless they are accompanied by one subscription. Collect your subscription today and make your reservation and we will hold the seed for you until you collect the balance of the subscriptions.

The Guide has been fortunate in securing as judges George Seris, Chief Grain Inspector for the Dominion Government, Winnipeg; Seager Wheeler, of Rosethorn, Sask., and Prof. T. J. Harrison, of Manitoba Agricultural College. This will be the largest seed fair ever held in Western Canada and the men who win the largest prizes at it will have gone a long way towards putting themselves in a class with the best seed producers in the West.

The following are the cash prizes which will be awarded at The Guide's seed fair:
