THIS COMPANY, which has been established 30 years, commenced with a subscribed Capital of $3,000,000, and was the first, 20 years ago, to offer to the Public two Scales of Premium —the lower, to insure only a fixed amount; the higher, entitling the Insurers to a participation in the profits.

Advantages offered to Insurers.

Very low Rates of Premiums on Young Lives.

The security of a large realised and invested Capital.

Large Bonuses on Policies effected on the high Scale.

Prompt settlement of Losses.

On Insurances for the Whole of Life: one-half of the Premiums, if desired, permitted to remain un-paid for the first seven years, as a Loan at inter-est, and then to be paid, or to remain as a perma-nent Loan, at the option of the Insurer.

Loans upon Policies for the Whole of Life, after payment of three Premiums, in proportion to the value of same.

The acceptance of Naval, Military, Climate, and Special Risks of all kinds, on payment of a commensurate Premium. Age admitted on the Policy when issued, if desired, on proof of date of birth.

Permission for the Lives assured to reside in any part of Europe, without extra premium or special license, and to, at and from California, at a small extra premium.

Insurances, if required immediately, may be effected any day between the hours of 10 and 4.

The Pamphlets published by this Company fully set forth the merits of Life Insurance; and copies thereof may be had, *gratis*, on application to the Agent, who is also prepared to furnish every information that intending Insurers may re-quire.

LIFE ASSURANCE COMPANY,
No. 1, *Princess Street, Bank, London.*

CAPITAL—ONE MILLION STERLING.

Empowered by Special Act of Parliament, 4 Vict., Chap. 9.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has at-tended this Institution, has induced the Di-rectors to REDUCE the RATES originally re-quired in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the im-portant benefits to Life Assurance at *much lower Rates of Premium than those of any other Assur-ance Company transacting business in Canada.*

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES OF PREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are like-wise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their Interest in their respective Policies.
