

As Usual.

1924 are already in, and we are prepared to show our customers a larger range and better values than ever before.

Our Dress Goods and Mantle Cloths are simply marvels of beauty and cheapness, and in Dress Linings and Trimmings we are 15 per cent. below market values, an advantage obtained by buying in very large quantities for spot cash.

We have given special attention, and with gratifying success, to the procuring of Men's, Ladies' and Children's underwear. Don't fail to see them; it means to you money saved.

In Boots & Shoes we are keeping our usual large stock well assorted, with a few special lines, or Snaps, added.

We are now keeping a large range of Hand-painted Window Shades (40 different designs) complete, with spring rollers; also Lace Curtains, Curtain Poles, Fancy Pole Ends and Fixtures, and all greatly reduced in price.

We make our Gent's furnishing department a specialty, and can give a better Suit, better Pants, better Hat, Boots, Shirt, Collar, or Tie, than can be got elsewhere for the same money. And why?—because having a large trade in these lines we give special attention to the buying, dealing only with manufacturers, and getting lowest cash prices.

Come and see us. Give us an opportunity to serve you, and you will realize the above statements as facts.

Good Value POLITE ATTENTION Fair Dealing

The family who spend their money right will succeed. The family who spend their money wrong can not. When you want Groceries and Provisions go to the store and get our prices and see our goods. We claim to give you more value for your dollar than you can get elsewhere.

We started business to sell goods, not to give them away. We cannot live without a little profit, but we cut that profit down to the lowest point. We prefer 5 per cent. profit on ten sales before 40 per cent. profit on one.

D. W. DOWNEY THE ONE PRICE BARGAIN SHOE HOUSE

As Xmas approaches we are all at work trying to find a suitable present for our friends that will not cost too much and be appreciated. We can satisfy you in both.
