MAKES MEN
SOUND AND STRONG

Detroit Specialist Making Men's
Specialty for Years.
Will Accept Your Case, Giving
It Individual Treatment. You
may Use It in the Privacy of
Your Own Home.

You May Pay When You are Cured.
A Detroit Specialist who has 14 diplomas and
certificates from medical colleges and state boards
of medical examiners, and who has vast expe-
rience in detecting diseases of men, is positive he
can cure a great many so called incurable cases;

DR. S. GOLDBERG.
The possessor of 14 diplomas and certificates,
who wants no money that he does not earn,
in order to convince patients that he has the abili-
ty to do as he says, Dr. Goldberg will accept your
case for treatment, and you need not pay one
penny until a complete cure has been made; he
wants to hear from patients who have been unable
to get cured, as he guarantees a positive cure for
all chronic nervous, blood and skin diseases,
which he accepts for treatment. He not only cures
the condition itself, but likewise all the complica-
tions, such as rheumatism, bladder or kidney
troubles, blood poison, physical and nervous
debility, lack of vitality, stomach trouble, etc.
The doctor realizes that it is one thing to make
claims and another thing to back them up; so he
has made it a rule not to ask for money unless he
cures you, and when you are cured, he feels sure
that you will willingly pay him a small fee. It
seems, therefore, that it is to the best interests of
everyone who suffers to write the doctor confi-
dentially and lay your case before him, which will
receive careful attention, and a correct diagnosis
of your case will be made free of charge; if you
have lost faith with him, as you have everything
to gain and nothing to lose, you must remember
not one penny need be paid until you are cured.
All medicines for patients are prepared in his
own laboratory to meet the requirements of each
individual case. He will send a booklet on the
subject, which contains the 14 diplomas and cer-
tificates, entirely free. Address him simply
Dr. S. Goldberg, 288 Woodward Ave., Room 617,
Detroit, Michigan. Medicines for Canadian pa-
tients sent from Windsor, Ont., consequently
there is no duty to be paid.

BEAUTY OF SKIN
PURITY OF BLOOD

Ancient and Modern Ideas on
These Interesting
Subjects.

UP-TO-DATE METHODS

For Purifying and Beautifying
the Skin, Scalp, Hair
and Hands.

Socrates called beauty a short-lived
tyranny, Plato a privilege of nature,
Theocritus, a delightful prejudice,
Theophrastus a silent cheat, Carnades
a solitary kingdom, Homer a glorious
gift of nature, Ovid a favor of the
gods. Aristotle affirmed that beauty
was better than all the letters of rec-
ommendation in the world, and yet
none of these distinguished authorities
has left us even a hint of how beauty
is to be perpetuated, or the ravages of
age and disease defied. Time soon
blends the lily and the rose into the
pallor of age, disease dots the fair face
with cutaneous disfigurements and
crimsones the Roman nose with unsightly
flushes, moth, if not rust, corrupts
the glory of eyes, teeth, and lips yet
beautiful by defacing the complexion,
and fills the sensitive soul with agony.
If such be the unhappy condition of
one afflicted with slight skin blemishes,
what must be the feelings of those in
whom torturing humors have for
years run riot, covering the skin with
scabs and sores and charging the
blood with poisonous elements to be-
come a part of the system until death?
It is in the treatment of torturing,
disfiguring humors and affections of
the skin, scalp and blood, with loss of
hair, that the Cuticura remedies have
achieved their greatest success. Original
in composition, scientifically com-
pounded, absolutely pure, unchange-
able in any climate, always ready, and
agreeable to the most delicate and sen-
sitive, they present to young and old
the most successful curatives of mod-
ern times.

THE 500 TRIALS.

Objections Well Taken and Trials Not
Using On At Once.

Sault Ste. Marie, Oct. 21.—On the
resumption of the sittings of the As-
sises yesterday morning, Mr. Jus-
tice Osler gave his decision as to the
objection brought up by defendants' counsel, in the corrupt election prac-
tices cases Wednesday. He ruled that
objection was well taken.

The objection was as to one judge
having jurisdiction in such cases, and
it was shown that amendments had
affected the statutes governing the
right of judges to sit on these cases,
making them read so as to give the
power only to two judges of the rota
sitting together, but not to one.
The Assises therefore adjourned until
November 8.

Attorney-General Won't Move.

Here is evidence of an interesting
feature of the trials. E. A. DuVernet,
some time ago, wrote to Attorney-
General Gibson, asking to Attorney-
General's assistance in prosecuting the
men reported for corrupt practices.
Mr. DuVernet detailed at some length
the particulars of the wrongful acts
on Oct. 17. Mr. DuVernet received a
letter from Mr. Gibson, dated Oct.
14, which after discussing the ap-
plication of any fines that might be
imposed on the guilty parties, goes
on to say:

"As regards section 118 of the
controverted Elections Act, I may
say that before receipt of your let-
ter and to-day also, enquiry has been
made from the Clerk of the Crown in
Chancery, and I learn that no re-
port has been received by him from
the judges who tried the petition, nor
has any such report been forwarded
to this department. Where it is as-
serted that assistance should be given
in a prosecution it is essential that de-
finite information should be furnish-
ed."

Now, note the sequel. Wednesday
in the box here Col. Clarke, Clerk of
the Crown in Chancery, deposed that
he had received the judges' report on
Sept. 30, or two weeks before the
date on which Mr. Gibson says he
enquired for it in Col. Clarke's hands
and could not find it. The prosecu-
tion is being carried on by private
parties, the Government having re-
fused any assistance.

Special Audit Made.

Winnipeg, Oct. 21.—The special
audit of the books in which Melvin
Bartlett, late clerk in the Provin-
cial Agricultural Department, kept
the accounts, connected with the sale
of marriage licenses, has been com-
pleted. The result will not be made
public until the Ministers, who are
just now busy with Dominion poli-
tics, have considered the report. An
order has been passed, appointing a
commission of two judges to deal
with Bartlett's charges against Hugh
McKellar, Deputy Minister of Agri-
culture, and it is expected that the
judges will be at once named and in-
structed to proceed with the matter
with as little delay as possible.

Then He's a Christian.

Kingston, Oct. 21.—The following
has been issued for publication:
"October 20.—I desire to express
my regret for having publicly stated
that Prof. John Marshall was not a
Christian. I fully withdraw the state-
ment, and humbly apologize for hav-
ing made it. Walter J. Pike."

This is the finale of the episode at
the Bible Institute where one pro-
fessor of Queen's objected to another
speaking because of his non-Christian
views.

HE FEELS LIKE
ANOTHER MAN

Edward Rousseau, after Two Years
of Suffering, Used Dodd's Dyspepsia
Tablets.

Thousands of persons have had the
same experience as Edward Rousseau
of Bruce Mines, Ont. Their stomachs
have bothered them for years. They
can find relief nowhere. They are
just about hopeless. They should do
Mr. Rousseau did. Let him tell the
story himself.

"For upwards of ten years," says
Mr. Rousseau, "I have been a severe
sufferer from Dyspepsia. I doctored
almost continually and used almost
everything I could hear of until I
began the use of Dodd's Dyspepsia
Tablets. I have taken two boxes and
words cannot express the great good
they have done me, as I am now
feeling like a new man, better than
I have felt for years. I think Dodd's
Dyspepsia Tablets are the greatest
medicine in existence and in my case
I have proved that they cure when
other medicine fails."

**"How Will He
Get Over It?"**
HIS trouble is Kidney Disorder and he
cannot get over it alone and unaided.
If he attempts it he will fail. By the
aid of Su-Ju, The Kidney Pill, he can put
aside the trouble and go on to success.
Symptoms of kidney disorders are many
—so many to enumerate here. Among the
most common may be mentioned: lame
back, rheumatism in its various forms,
pallid complexion, puffed face, swollen
feet, dropsical conditions, irregularity of
kidney secretions, sick headache, sick
stomach, weak eyes, loss of memory, brain
fog, tired feeling, loss of ambition, sleep-
lessness, melancholy, and many other
ailments.
Su-Ju, The Kidney Pill, cures all these
troubles and maladies, by attacking the
seat of the disease, the disordered kidneys.
It restores the kidneys to their normal
condition, so that they perform their func-
tions properly. The stream of poison
which had been carried throughout the
system ceases. The man or woman is re-
stored to health and is able to climb to the
top rung of the ladder of life.
Toronto, Ont., June 14, 1903
The Ciffin Chemical Co., Windsor, Ont.
Gentlemen—I have been speaking to several people who have tried your kidney pills
and they say they are the best they have ever used. I have been troubled with a severe
pain in the small of my back for the last 10 months, and I will try one of your boxes, and
if they do me good I shall continue using them. Yours,
THOMAS HALLAM.

**STRICTURES Cured To
Stay Cured**
Strictures, no matter where located, are apt to involve the
surrounding structures. If neglected or improperly treated,
urethral stricture will produce distressing symptoms. Cut-
ting, stretching and tearing are the old barbarous methods of
treating this disease. The strictly modern and original meth-
ods employed by us are free from the horrors of surgery and
are absolutely safe and harmless. The abnormal stricture tis-
sue is dissolved and leaves the channel free and clear. All un-
natural discharges cease, any irritation or burning sensation
disappears, the kidneys, bladder, prostate gland and other
surrounding organs are strengthened and the bliss of manhood
returns. Our ABSORPTIVE TREATMENT will positively
cure you. **YOU CAN PAY WHEN CURED.**
