## PORT WILLIAMS AND VICINITY

Miss Mildred and Dorothy Lloyd, of East Sable River, who have been in Port Williams for the last few months, received word last week of the serious illness of their mother and both went home, Miss Dorothy expecting to return later.

Dr. Edwin Morse, with his wife and children, are at present guests of Mr. G. H. Illey.

Mr. Donald Chase, who has been spending his vacation in the Canadian West, has returned home. While away he visited his brother, Mr. Albert Chase, also his sister, Mrs. Patterson (nee Miss Margaret Chase).

Capt. J. E. Faulkner, of the S. S. "Canadian Mariner", is spending a well earned vacation at his home, enjoying the companionship of his family, which is denied to many sea captains.

Miss Laura Hanson, of Duncan Ferguson Co., Stratford, Ontario, spent a few days here recently. She will be remembered by many, outside of Port Williams, as the former very efficient saleslady of the firm of George A. Chase.

Miss Hanson was warmly welcomed by all.

Several of the residents from here attended the Acadia concert recently held in University Hall, Wolfville. Those who contributed to the program were graduates of Acadia, among them being one of our own young ladies, Miss Lucy A. Cogswell.

Mrs. Shaffner, of Lawrence town, is visiting her daughter, Mrs. O. N. Chipman.

Mr. Donald Ellis, Belcher Street, is visiting in Truro for a few days.

Miss Irene Gates spent the week end in Amnapolis, motoring down on Saturday and returning on Sunday.

Several people from here attended camp meeting at Berwick on Sunday and enjoyed the services very much, especially the "Lotus" quartette.

Miss Ethel Shaffner, of Lawrence town, spent the week end with her aunt, Mrs. O. N. Chipman, and while here she very kindly sang at the Sunday evening service. Her solo was enjoyed by a large audience, and we hope to hear her again. Miss Shaffner possesses a very musical contralto voice, and her phrasing and enunciation was splendid.

Mr. Tobin S. Lockwood is spending his vacation at Margarettville.

Miss Alice Lockwood, of Jensen & Mills, Halifax, is spending her vacation with her sisters, the Misses Frances and Jessie Lockwood, Main street.

Mr. and Mrs. George A. Dodge, with their young son Gordon, are spending their vacation at Margarettville.

Miss Jean Murphy, who has been spending her vacation at home with her parents, Mr. and Mrs. A. C. Murphy, has returned to Halifax. Miss Murphy was accompanied on her return by Miss Purcell, of Halifax, who spent the week end as Miss Murphy's guest.

Rev. Robt. Wilson, of Flemingsburg, Kentucky, occupied the pulpit of the Baptist church on Sunday evening and was greeted by a large audience. Mr. Wilson has not been here for almost twelve years, and his many friends, both old and young, gave both him and his wife (nee Miss Bessie Kidston) a very hearty welcome.

Mr. A. N. Coulstan, Mrs. Coulstan and family, are spending their vacation at Margarettville, enjoying with others the cool sea breezes.

The Misses Grace and Greta Murphy are visiting in Halifax, the guests of their sister, Miss Jean Murphy.

Mr. Edwin West, of the staff of Mr. George A. Chase, is enjoying a well earned vacation.

## GREENWICH

Miss Georgina Beil, R.N., of Massachusetts, accompanied by a friend, arrived the first of last week and are guests at the home of the former's sister, Mrs. Ada Forsythe. She is welcomed by many friends here.

Mrs. Lee Bishop and little daughter Doris have been guests of her sister, Mrs. Lohnes, wife of Councillor Ira Lohnes of Windsor, for some time, at

her summer cottage at Aberdeen Beach. Miss Hilda Johnson is spending some time in Wolfville, at the home of her grandparents, Mr. and Mrs. Lorne Franklin.

Mrs. Tufts, of Melvern Square, has been a guest at the home of her brother, Mr. T. Andrew Pearson, the past two weeks.

Mr. William Bishop, of Greenwich Ridge, a most successful man with his vegetable garden each year, has already been selling prize cabbage, one or two weighing over eleven pounds. Can this be beaten?

Mrs. Frederick Baker, Wolfville, spent the day last Thursday a guest of her friend, Mrs. George L. Bishop.

On Thursday evening, even though it rained, about 65 gathered as a "Surprise party" at the home of Messrs. W. H. and H. R. Bishop, and a most enjoyable evening was spent very socially, yet expressions of regret could be heard on account of this family leaving here so soon to make their home so far away in New Jersey state. Also many expressions of good wishes were heard for them. During the evening two presentations were made on behalf of their friends by Councillor G. L. Bishop, each being accompanied by a worth-while speech, a bit "spiced up" with humorous remarks. The first, a gift of a nice steamer rug, to Mr. Humphrey Bishop, then a nice club bag to Mr. and Mrs. Hazen Bishop. A suitable response was made by Messrs. Bishop, also an invitation extended for any of their friends to visit them by Mr. Hazen Bishop, at their new home far away, and enjoy some of their "fine peaches and new laid eggs."

Toward the close of the evening delicious ice cream and cake was served. Among the guests were Mr. and Mrs. Enoch Bishop, of Wolfville; Mrs. William Pudsey and children from Upper Canard; and Mr. and Mrs. Edgar Forsythe and family from Cambridge.

Mrs. Jessie Borden has been seriously ill the past week, but is now some improved. Miss A. M. Cogswell, Port Williams, is the nurse in attendance.

Mr. and Mrs. Gordon Simpson, of Melancon, are living in Rev. Mr. McCabe's house here.

Mrs. Wallace, of West Gore, and Mrs. MacDonald, of Dartmouth, are guests at the home of the former's brother and the latter's uncle, Mr. G. I. Fraser.

Mr. Charlie Fenwick, of Bear River, spent the week end at the home of his parents here.

Miss Annie Pearson spent the week end with friends at Evangeline Beach.

Messrs. Philip and Robert Bishop gave a party in honour of visiting young people in the place.

Messrs. Murray and Ormond Forsythe motored to Berwick on Sunday in the former's auto, where they attended camp meeting for the day.

Messrs. Philip Bishop and Aleck Andrew motored in the former's car to Kingston and were guests on Sunday of their friend, Mr. W. R. Ward, our school teacher.

A good number from here went over to Port Williams Sunday evening and enjoyed the service at the Baptist church, the speaker being a former Port Williams boy, Rev. Robert Wilson, now of Kentucky.

Mr. Allison Pudsey, of Upper Canard, spent Sunday with relatives here.

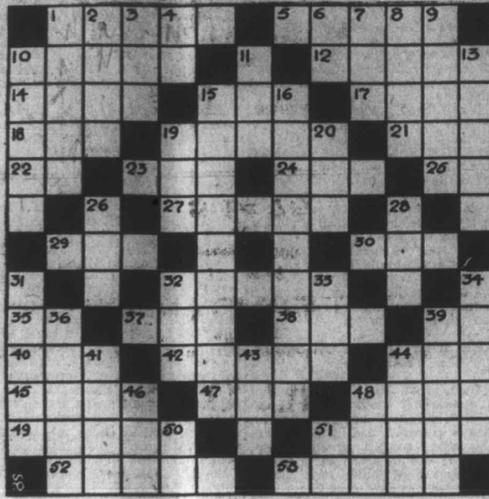

A few of our residents saw the eclipse of the moon beginning about 11.20 on Sunday evening. We understand it was very plain and over half covered for some time.

Miss Bertha Spidell, of Lexington, Mass., arrived on Monday and will visit for two weeks with relatives here, being now at the home of her grandparents, Mr. and Mrs. James E. Forsythe, with her mother, Mrs. Spidell.

Sam, in dreamy slumber, rests in the sweet conviction that he is building American prosperity by shutting out the peoples of the world, Canada is perfecting plans to make a new bid for the American farmer. During the last few years, lean for our tillers of the soil, Canada has focussed her attention on winning immigrants from England and Continental Europe, and our ex-

clusion act has enabled her to pick the very cream of foreign home seekers. The Canadian mind never seems to sleep. "Our man on the street looks for the abandoning of our farms when poverty and poor crops drive the American to seek fresh fields and pastures new. Poor crops, however, mean an inability to meet the expense of moving, on the

part of the renter, and an inability to sell on the part of the farm owner. Consequently the American farmer quits, not when he wants to quit but when he is able to quit.

"In the last three years Canadian immigration from the United States has declined, but the figures are beginning to show marked increase. From 1910 to 1914 no less than 600,000 renters and owners abandoned farms in this country and went across the border. In 1913, alone, 139,000 farmers marched to their new homes, and let it be remembered they took with them \$125,000,000 of American money. These figures shrank to 20,521 in 1924. Now with active buyers in sight there is a rush of applications for Canadian lands, and the Canadian government and the Canadian railroads are taking off their coats to handle the expected rush across the border.

"Apart from the depletion of American farm lands, our restriction of immigration has seriously affected the field of manufacturing, as it has affected the home problem. Whether the resulting high individual wage more than offsets the increased cost of living, the curtailing of manufacturing, and the slowing up of building operations may be debatable. But that it will be well for the national congress to review the situation is beyond question."

"Long ago I figured it out that if the mail man stopped to fight it out with every dog that barked at him, he'd never get his mail delivered."
