#### The Pole at Last.

Pastor Teach, Schol. Vis. Sup.

2 18 11 1

The war is on between Commander Peary and Dr. Frederick Cook. Peary, with all the egotism which man could possess returns and, after learning that Dr. Cook yad reached the poll nearly one hear before, immediately begins a campaign of slander against his rival. Dr. Cook, with the calmness of a man confident in the truth of his own story, listens in silence to the spasmodic outbursts of the Commander and smiles. If Dr. Cook did discover the Pole, or if having discevered and can pro duce the proof, he certainly must enjoy the situation.
