FARMERS
And all Owners of Live Stock
Take home to-morrow a few bags of
MOLASSINE MEAL,

Especially valuable now that feeds are so high, because in addition to its own food value, its special digestive properties enable the animal to derive the full nutrient from all its other foods.

Makes cows give more milk and good rich milk.
Keeps horses hard. Used by the British Army for cavalry horses.
Keeps all animals healthy and in good condition.
Full directions tagged on each bag.
Be careful about the exact name.

**Evening Gowns
at Reduced Prices!**

While many of the larger social functions are—on account of the war—conspicuous by their absence this season, there are never-the-less many smaller affairs which take place where a really smart gown is not only admissible, but really necessary.

¶ We are offering a limited number only of Evening and At-home Gowns and Blouses, in combinations of Silk and Net, Satin and Lace, Charmeuse, Ninon, Voile, etc.—in very beautiful designs, and in different sizes. These Gowns and Blouses are copies of French and American models, and, owing to the depression in trade, are to be sold at heavy reductions.

¶ This week presents an excellent chance for you to purchase a dainty Evening Gown for the coming Easter festivities at actual cost.
