**A Wonderful Help in Keeping the Complexion Youthful and Clear.**

Perhaps you wonder how so many women manage to have a complexion that is always fresh and clear, and how you can make your complexion better. Here's the secret:—

This is the Vanishing Cream that softens the skin and gives it that soft, velvety radiance that we all desire.  
 Nyal's Face Cream is not oily or greasy, and it is readily absorbed by the skin, vanishing without leaving any tell tale gloss on skin. The skin welcomes this pleasant, soothing, cooling cream. It makes dry, tight skin soft and pliable. It makes rough skin firm and smooth, and gradually gives to coarse rough skin a finer, more delicate texture.

**Does Your Stenographer Use a**

**LINE-A-TIME**

It enables her to increase her output 30 to 50 per cent. daily and free from eye-strain, nervousness, headaches. And the cost is comparatively trivial.  
 The Line-a-time is made in a variety of sizes to support any size stenographer's note book. It is a statistical report sheet, for filing and copying from machine, etc.  
 Stands on its base behind the typewriter, and is operated by the operating lever beside the typewriter, with a bookkeeping billing machine, and with a typewriter.  
 A slight pressure on the lever with the right-hand hand brings up the line next to view from behind the typewriter, so that the line being transcribed is on a level with the typist's eyes. Thus the free from eye-strain, nervousness, headaches that go with "copying" without a line-finder, one that moves.  
 It practically eliminates the of errors in transcribing and because it removes the cause of the cause of errors.  
 Used by many of the largest towns. We will gladly send for a day, a week or a month trial; no obligation to buy.
